Mr Richard Whitestone is English and a successful businessman based for many years in Oporto. Despite his many years' residence in Portugal, he remains resolutely English in his tastes and in his accent. His favourite reading is Tristram Shandy, which he reads and re-reads constantly. A widower for many years, he lives with his children Jenny and Carlos. Jenny is the angel of the house and wise

beyond her 21 years. Carlos is 18 and much given to carousing with his friends and to falling - very briefly - in love with whichever pretty girl he sees. He is the despair of his father, but his sister believes in him despite all, because she knows he has a good heart. One day, during Carnival, Carlos meets a young woman at a masked ball and falls in love. As ever, the path of true love runs very erratically indeed. Júlio Dinis is sometimes referred to as the

All Dialect Words Still in Use, Or Known to Have Been in Use During the Last Two Hundred Years A New English Dictionary on Historical Principles

I was born and grown up in Iran. After the war between Iraq and Iran, we got back to our small city, Abadan. I finished my guidance & high school there and continue my studies at university and got MA. Furthermore, I like to continue my studies and get Doctorate degree. I started writing poetry when I was a teenager and studying at university. It was in that time that I became interested in English poems and wanted to write to release my soul and bring whatever was in my heart on the paper. Actually I am satisfied by writing English poems.

Then I decided to publish my first book in 2002, after that I published my second poetry book (Dream of love) in 2006. I have translated English story books into Persian and published teaching books and articles. Also, I'm fond of painting and like to do landscape and want to follow it to the professional level. This book reflects my thoughts and feelings on many different things and expresses my feelings as the young girl. Voice of the heart is a collection that includes 54 English poems that are my own work. Actually it was published first in 2002 and included 80 poems but in this collection I excluded some of them. Poetry is the expression of our soul and a reflection of our deepest emotions. My poems are inspired by my thoughts

This music wove and flowed and coursed through Jackie Freeman's life even before she was born, thanks to the incredible musician she called Momma. Her earliest memories center on her mother sitting at her upright piano as she played selections from the old Free Will Baptist Hymn Book and the piles of sheet music of gospel songs. That music teaches Scripture,

God's deep and abiding love for us all, and a reverence for the awe-inspiring power and beauty of classic Christian songs. Keep a Song in Your Heart is a legacy project that explores the wisdom Southern gospel masterpieces and their performers impart. In these devotions, the author shares how America's greatest gospel songs inspired her family and her life—and, she hopes, they will enrich and inspire your life.

Thanks to modern technology, she shares the music with you via Spotify, a free computer app. During difficult times in our lives and in the world, this devotional offers strong messages of hope, destiny, and salvation.
