

Whos Got Your Back The Breakthrough Program To Build Deep Trusting Relationships That Create Success And Wont Let You Fail

Disregard the myth of the lone professional “superman” and the rest of our culture’s go-it alone mentality. The real path to success in your work and in your life is through creating an inner circle of “lifeline relationships” – deep, close relationships with a few key trusted individuals who will offer the encouragement, feedback, and generous mutual support every one of us needs to reach our full potential. Whether your dream is to lead a company, be a top producer in your field, or back, lose weight or make a difference in the larger world, Who’s Got Your Back will give you the roadmap you’ve been looking for to achieve the success you deserve. Keith Ferrazzi, the internationally renowned thought leader, consultant, and bestselling author of Never Eat Alone, shows us that becoming a winner in any field of endeavor requires a trusted team of advisors who can offer guidance and help to hold us accountable to achieving our goals. It is the reason PH.D candidates have boards, world class athletes have fitness coaches, and presidents have cabinets. In this step-by-step guide to the powerful principles behind personal growth and change, you’ll learn how to : Master the mindsets that will help you to build deeper, more trusting “lifeline relationships” · Overcome the career-crippling habits that hold you back, once and for all · Get further, faster by setting goals in a dramatically more powerful way · Use “sparring” as a productive tool to candidly

Replace the yes men in your life with those who get it and care – and will hold you accountable to achieving your goals · Lower your guard and let others help! None of us can do it alone. We need the perspective and advice of a trusted team. And in Who’s Got Your Back, Keith Ferrazzi shows us how to put our own “dream team” together. Turn The Men of Your Church Into A Band of Brothers!n Got Your Back, Gary Yagel makes a compelling biblical case that God never intended Christian men to fight their spiritual battles alone. With the shoe-leather realism that comes from over thirty years discipling men, Gary supplies the biblical examples, real-life stories, and practical wisdom to inspire the men of your church to forge the brotherhood bonds they need for encouragement and accountability. This ten-week Men’s men’s ministry tool box!PATRICK MORLEY, Founder and Chairman, Man in the Mirror“Sometimes one comes across a book that is so profoundly true and arresting that it changes the way one looks at the world and, more important, how one looks at one’s own life. I’m a loner. I could do the monastery thing if they would let me bring my wife. But a long time ago I found out that I simply can’t do this by myself and was drug kicking and screaming into community. Now that those are in Gary Yagel’s book, Got Your Back. Read this book and rejoice in its truth. Then give it to every guy you know. We could change the world... but we can’t do it alone.”STEVE BROWN, Author, Seminary Professor, Founder, Key Life Ministries“What a valuable book! With the patience and care of a soul-surgeon, Gary Yagel cuts through the layers of isolation that have immobilized so many Christian men, and expertly explains the cure. Want to wake up the men in your church? This practical - is a great place to start.”NATE LARKIN, Founder, The Samson Society, Author, Samson and the Pirate Monks, Calling Men to Authentic Brotherhood.”

Right to Be’s accessible and engaging step-by-step instructional guide to safe and effective bystander intervention Bystander intervention is simply overcoming that “freeze” instinct when you witness harassment and getting back to the very human desire to take care of one another. It’s not about being the hero, strapping on spandex, and saving the day. And it certainly isn’t about sacrificing your own safety. From the nonprofit organization Right to Be (formerly Hollaback!), I’ve outs of bystander intervention using Right to Be’s methodology: the 5D’s of bystander intervention—distract, delegate, document, delay, and direct. Each chapter of the book dives deeply into what these D’s can look like in practice, whether you are in public, online, or at work. The rise in interest in bystander intervention comes at a moment when trust in the institutions historically responsible for keeping us safe is crumbling. However, as trust in our systems falters, trust in our is rising. Perhaps for the first time we see that our actions matter. Or, at a minimum, we know our actions are the only thing we can truly control. We all have a role to play when it comes to ending hate and harassment in our communities. If you’re new to these efforts, I’ve Got Your Back will give you the skills to get started. And if you’ve been doing this work for years, this book will provide you with the language to mentor others just beginning their journey.

The Wonder Years Daylen Daniels and Chase McCoy are as different as night and day. Chase is the beautiful golden boy. Gorgeous, popular, and the quarterback of the football team. Daylen is the quiet introvert. Lovely curves, shy, and sees herself as an orchestra geek. After Day moves next door to Chase, a run-in with a bully, a domestic dispute, and one treehouse hideout, an impenetrable bond is made. As they grow up, their attraction for each other grows with them, but is it a little game of spin the bottle, and a devious enemy could shake the very foundation of their friendship. Or it could start a tumultuous romance that spans decades. Take a journey with these two best friends through first love, heartbreak and tragedy from childhood to adulthood as the two find that young love isn’t as strong as they’d hoped. A story of true growing pains in...Chasing Day.

Major Nghu, the fanatic North Vietnamese officer from book 1, is back. This time, he’s got many more soldiers under his command, and uses different tactics, which he believes are guaranteed to defeat the Marines and Popular Forces of Combined Action Platoon Tango Niner. He starts by violating the Christmas truce - at a time when the Marines have American women visiting for Christmas dinner! Defeating the North Vietnamese is the toughest job Tango Niner has faced, especially once Major Nghu and his forces t... Major Nghu believes he is achieving his ultimate goal of defeating the Marines and PFs of Tango Niner. Step by step, the Marines and PFs find ways to counter him and his forces, until they meet in the ultimate battle for control of the Song Du Ong river valley.

The Author’s Book Journal is a must have for anyone writing a book or a novel. It easily lets you keep track of events and characters in your chapters. There are dedicated pages for 100 chapters, plus main character profiles, secondary characters profiles and also pages to note reference research sources, acknowledgements, quotes, notes, prologue, epilogue, back cover blurb, beta readers, ARC reviews, publishing details, author details. You also have some extra pages at the back for making notes on ideas for your book.

Jake is a mountain man in 1838 Colorado who finds he is dying from Cancer. He isn’t given much time to live, and doc says it is going to be painful. He sends him off with some medicine to help cope with the pain. Instead of going home to die, Jake decides to set out on a last adventure to find the perfect secluded valley for his final resting place. His best friend, Joe Barnes, won’t let him go alone, and he brings along a deaf mute girl named Beth. Along the way they save some children from hostile Indians, guide a w

A book of seventy famous songs for the beginning ukelele player that uses just six different notes. (C-D-E-F-G-A) Easy to read over-sized notation includes two versions of each song - one with letters instead of the note-heads and one with regular musical notation. Basic chord changes also included.

Henry is generally well-behaved, but he is occasionally arrogant and vain. Henry is at heart a hard worker, but his frequent bouts of illness hinder his work.

Critic Leonard Feather was one of the earliest and most persistent champions of bop. It was he who persuaded RCA Victor that the new music was worth recording. His Inside Jazz is a full-length account of bop: its origins and development and the personalities of the musicians who created it. Numerous photographs and anecdotes bring this innovative era in jazz history back to life once more.

Oscar is a dog, but he knows this new potbelly pig is going to be his best friend for life. Sure, Piggy pees while he eats, he eats while he walks, and he walks into trouble on a daily basis. But a friend is a rare thing for Oscar, who has already written the family cat off as psychotic.

The Book of Knowledge and Wonder is a memoir about claiming a legacy of wonder from knowledge of a devastating event. In some ways it has the feel of a detective story in which Steven Harvey pieces together the life of his mother, Roberta Reinhardt Harvey, who committed suicide when he was eleven, out of the 406 letters she left behind. Before he read the letters his mother had become little more than her death to him, but while writing her story he discovered a woman who, despite her vulnerability to depression, had a large capacity for wonder and a love of familiar things, legacies that she passed on to him. The book tackles subjects of recent fascination in American culture: corporate life and sexism in the fifties, mental illness and its influence on families, and art and learning as a consolation for life’s woes, but in the end it is the perennial theme of abiding love despite the odds that fuels the tale. As the memoir unfolds, his mother changes and grows, darkens and retreats as she gives up her chance at a career in nursing, struggles with her position as a housewife, harbors paranoid delusions of having contracted syphilis at childbirth, succumbs to a mysterious, psychic link with her melancholic father, and fights back against depression with counseling, medicine, art, and learning. Harvey charts the way, after his mother’s death, that he blotted out her memory almost completely in his new family where his mother was rarely talked about, a protective process of letting go that he did not resist and in a way welcomed, but the book grows out of a nagging longing that never went away, a sense of being haunted that caused the writer to seek out places alone-dribbling a basketball on a lonely court, going on long solitary bicycle rides, walking away from his family to the edge of a mountain overlook, and working daily at his writing desk-where he might feel her presence. In the end, the loss cannot be repaired. Her death, like a camera flash in the dark, blotted out all but a few lingering memories of her in his mind, but the triumph of the book is in the creative collaboration between the dead mother, speaking to her son in letters, and the writer piecing together the story from photographs, snatches of memory, and her words so that he can, for the first time, know her and miss her, not some made up idea of her. The letters do not bring her back-he knows the loss is irrevocable-but as he shaped them into art, the pain, that had been nothing more than a dull throb, changed in character, becoming more diffuse and ardent, like heartache.

When businesses look to improve their performance, they usually look at profit margins, growth rates and measures like these. One very important factor that is often overlooked is performance. When performance isn't effectively measured, it is difficult to improve. Many organizations endure mediocre performance while having a preponderance of employees who are rate "above average" and "excellent". Omar Khan and Alan Weiss, both world-recognized consultants, provide, in Who's Got Your Back, the pragmatics for why measurement is important, what should be measured and how to do it accurately. Their concept is "Who's Got Your Back". This concept, in their words: "The people you monitor, develop, and coach protect you and the company through their skills. People who are committed, don't hide, don't shun responsibility, and who can be relied upon in good times and bad. We need to measure their work, observe their behavior, and reward them accordingly" The objective of the exercise is business growth. A collateral benefit is happier employees and a more engaging, congenial working environment.

John Denver chronicles the experiences that shaped his life, while unraveling the rich, inner journey of a shy Midwestern boy whose uneasy partnership with fame has been one of the defining forces of his first fifty years.

Michael Dante played the title role in Winterhawk (1975), a Western about a legendary Blackfoot Chief’s character and his principles. In this novella sequel, he pens an ageless saga about ruthless railroad executives trying to assassinate him in order to build their railroad directly through his territory, taking the Blackfoot land without provocation. Winterhawk and his tribe remain strong as long as they can, to protect the land of their people, the land they call home, before the invasion of progress imposes itself on America. This inspiring story of a brave man, who stands up to and fight against those who have their own agenda for his land, evokes the nostalgic atmosphere of Western series that Dante frequently appeared in during American television’s Golden Era, such as Death Valley Days, The Big Valley, Daniel Boone, Custer, The Texan, Bonanza, Maverick, and Cheyenne.

The Truth about Back Surgery, Straight from a Surgeon

Sing You Home

I’ll been there. EVERYONE knows someone who has had their share of binge drinking, mood swings, or addiction that has stretched a relationship to its limits. Dr. Melissa Tate is a popular psychology consultant and licensed professional counselor who takes you on a personal journey of self-disclosure and transparency. Often described as an easy going, juggling-it-all, classy and professional single mom, you would be remiss to assume she has always had it all. Vicariously struck on the emotional roller coaster of her loved ones’ mental instability and self-medicating, addictive behaviors, she has had to literally and figuratively pick herself up from some raw and shocking situations. Through two failed marriages and a shattered sibling bond, she gives you a front row seat to her internal struggle as a blind passenger. A memoir-esque snapshot of these three relationships is used as a platform for broader, often under-discussed, therapeutic conversations about domestic violence and addiction in the family system. And she gets it. She knows how you feel and where you’ve been—not merely because she has read about it or counseled people through it—because she has lived it. In being transparent about her intimate experiences with broken relationships, Dr. Tate is able to provide a personal and professional insight for regaining your peace of mind amidst a wild ride.

If Jesus were a book about leadership today, he would tell a story. That’s what the author decided when he tore up his first draft. Instead, he wrote a parable about four twenty-somethings who are having major problems with bad bosses. Jack Hendrickson, a retired Army Special Forces Sergeant and former missionary, begins to teach them Biblical principles about leadership and when they put it into practice at work, it makes their lives worse! Experienced leaders are calling I’ve Got Your Back a landmark book to help next generation leaders with a Biblical foundation for leadership. Many talented young people have been victims of follower abuse. They don’t want anything to do with leadership positions. Some have issues with authority and need guidance to heal. Galvin writes about a new kind of leader the world is desperate to follow. At the end of the parable, the author outlines Biblical principles of followership, as well as leadership, because everybody needs to learn how to lead and follow well.

Who’s got your back? Most men will simply answer, “no one.” Not many men have close friends in the sense that women do. We’re more likely to form alliances than we are friendships. It doesn’t have to be this way. Who’s Got Your Back? will motivate men to build satisfying relationships which will be there during the ups and downs of life. David Smith’s new book, Who’s Got Your Back? clearly presents the clarion call for men to be the kind of men modeled for us by Jesus. David shows us how we can be strong, task oriented, and achieving, but also warm-hearted and unmistakably relationship driven in the rough and tumble of everyday life. This good book brings into sharp focus a genuine and functional and real-life definition of manliness. David Smith has skillfully woven stories with practical application strategies into a narrative as to how we build and support trusting relationships David is a former public-school superintendent and high school and college teacher and now is a conference speaker for business and faith-based events. He earned an interdisciplinary social policy PhD from Northwestern University. David and his wife Sue Ann live in suburban Chicago.

Years ago, a few people would challenge Fabian, the star running back whose about to go pro. Not merely for the beast that he is on the field, but also the one he becomes when he drinks. Eric Certain isn’t quite so lucky. His brother Tyrq is terminally ill. But Eric’s luck is sure to run out when he and Fabian soon cross paths. Scored and scarred in the years that follow. Eric inflicts a few of his own. Will the now famous athlete hold it together, or will Eric cause him to lose it all?

A Father & Son Keep It Real About Love, Fatherhood, Family, and Friendship

A networking expert explains how to use the power of relationships for mutually beneficial results, outlining specific strategies and principles for generosity-based networking with colleagues, friends and associates.

Ten years of infertility issues culminate in the destruction of music therapist Zoe Baxter’s marriage, after which she falls in love with another woman, Vanessa, and wants to start a family, but her ex-husband, Max, in the grips of an anti-gay pastor, stands in the way. Includes a CD of songs created for the novel. (This title is being re-listed in Forecast). 1.5 million first printing.

"A new role model.— The New York Times In The Universe Has Your Back, New York Times best-selling author Gabrielle Bernstein teaches readers how to transform their fear into faith in order to live a divinely guided life. Each story and lesson in the book guides readers to release the blocks to what they most long for: happiness, security and clear direction. The lessons help readers relinquish the need to control so they can relax into a sense of certainty and freedom. Readers will learn to stop chasing life and truly live. Making the shift from fear to faith will give readers a sense of power in a world that all too often makes them feel utterly powerless. When the tragedies of the world seem overwhelming, this book will help guide them back to their true power. Gabrielle says, "My commitment with this book is to wake up as many people as possible to their connection to faith and joy. In that connection, we can be guided to our true purpose: to be love and spread love. These words can no longer be cute buzz phrases that we merely post on social media. Rather, these words must be our mission. The happiness, safety, and security we long for lies in our commitment to love." When readers follow this path, they'll begin to feel a swell of energy move through them. They will find strength when they are down, synchronicity and support when they

re lost, safety in the face of uncertainty, and joy when they are otherwise in pain. Follow the secrets revealed in this book to unleash the presence of your power and know always that The Universe Has Your Back.

WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN When Forbes Branson was a young man ready for something new.
