

Wings To Freedom

Life and teachings of Baba Lokenath Brahmachari, 1731-1890, a Himalayan yogi.

A naive teen sent out of Cuba to retrieve smuggled family jewels on the eve of the Bay of Pigs invasion comes of age in New York City at the height of the sexual revolution and earns his political and economic freedom. By a twist of fate, he begins to lose his liberty when his oppressive parents arrive and refuse to assimilate into American Society. Take the journey and discover why success isn't always measured by what one becomes, but often by what one overcomes."

In our Christian walk in this world, we are always presented with choices and subtle offers that can appear appealing. However, we often ignore the small print, either deliberately, or through ignorance. Interestingly, the Israelites, faced similar offers, as they 'negotiated' with Pharaoh for their freedom from slavery. Freedom Bargains

explores five subtle offers usually presented to us as alternatives to God's ideal of real and total freedom. It provides lessons from the wisdom of Moses and his attention to detail, in avoiding these subtle traps (schemes), intended to keep believers in perpetual bondage and also provides vital biblical keys for walking in complete freedom. The book details the need to be alert to our life's purpose as spelt out by God, in being able to navigate past all the traps that are intended to trip us into living life below the level God intends for us. It encourages and challenges believers to re-examine God's original intention for setting us free. It encourages us to be alert to and remain steadfast in the liberty with which we have been set free and to let this be manifest in all areas of our lives. The book is written in a contemporary, conversational style with real life (personal, family, social and political) examples which speaks to current popular and social culture and makes it easily accessible to those new to engaging with the Bible as well as more mature believers. This

notwithstanding, the book's message is strongly biblical and culturally informed. The chapters include contemporary real-life stories and quotations from a wide spectrum of well-known Christian and political leaders, which will make it easy for most readers to identify with. It is my desire for you to believe again that you can walk in complete freedom in all aspects of your life and to go ahead and live it. Above all, I desire that all believers will rise up and be outward looking to impart their freedom found in Christ, to other people in their various fields of endeavor.

In this bouquet of poems I present to you my humble thoughts in simple words on a variety of topics. I have sung about the beauty of love. I have tried to let you hear the sighs and sobs in silence of struggling and suffering people. I have expressed my concerns about our planet and the need to keep it clean and green. I have written about the bond between God and man and his despair despite the prayers he raises. I have also shown the dark side of humanity wondering how man can oppress, exploit, enslave and kill

others and sadly, try to justify it. Here, you can hear the muffled, dying cries of a new born girl child. Some songs are my thoughts that loved to wander far on the wide wings of the flying wind. Through most of the poems on social themes I am appealing to the conscience of the people to abandon violence particularly against women, children and the weak and to build a beautiful world of peace and love. May the humorous poems bring a smile on your face and laughter in your soul. Hope you will enjoy reading the book.

"All that is necessary for the triumph of evil is that good men do nothing." Edmond Burke... In this 2nd book of the Wings of Steele series, the adventure continues in Flight of Freedom - with one major difference: Jack Steele's Freedom is no longer the wounded duck she once was. They leave UFW Blackmount Station repaired and retooled, with a complete crew, fully armed and resupplied, ready to hunt. But life in a busy and turbulent universe is rarely as simple as one would hope it to be. This becomes painfully evident with the complexities in space as events splinter even the best laid plans at home and abroad. Organized and motivated, the pirates are not to be taken lightly with a growing fleet of freelancers attracted by wealth and fame. In her own right, the Freedom was a name becoming famous...or infamous as far as the pirates were concerned. And that could spell disaster for the Freedom and her crew... An epic science fiction adventure that reaches from the surface of our familiar planet and the safety of terra firma, to the dark, vast expanse of deep space and distant empires.

Autobiography of the nineteenth-century abolitionist who advocated the full freedom of the blacks.

After nearly four decades of government denial, the deeds of four Alabama Air National Guardsmen who died at the Bay of Pigs in 1961 have been made public and their names memorialized at the CIA's Wall of Honor in Langley, Virginia. Their stories can now be told. The four guardsmen who died flew with a group of Alabama volunteers to secret CIA bases in Guatemala and Nicaragua to train Cuban exiles to fly B-26 bombers in support of the invasion forces. When the small group of exhausted pilots could no longer sustain the air battle, seven Alabama Guardsmen flew with them into combat on the final day of the invasion in a futile attempt to stave off defeat at the embattled beachhead. The body of one of these men, Thomas W. "Pete" Ray,

remained in Cuba until 1978 where it was frozen as a war trophy and as evidence of U.S. complicity in the failed 1961 invasion.

Lynsie Fox has what she considers to be a perfect life. Married to Lincoln, a military pilot, she's living the Army life she's always loved. Being a sucker for great love stories, Lynsie makes it her mission to find Lincoln's best friend and co-pilot, Dax Adams, a good woman. Losing the one woman he's ever loved, Dax attempts to be a good sport by playing along in Lynsie's match-making scheme. However, Dax is certain he will never get the woman of his dreams. But life doesn't always fly smoothly. When turbulence strikes, Lynsie watches her world crash and burn around her, leaving her empty with broken wings. Despite her grief, can she mend the pieces back together and learn to fly again?

This book is about organisational development from a systemic perspective. It is about systemic principles. How do they work in organisations? And how do people in those organisations experience them? This book attempts to answer this and many more questions on working with the systemic phenomenological perspective in organisations and society at large. From the same perspective, this book discusses a large amount of issues such as fraud, success, downturn and succession. This book includes many examples of organisations and themes, including constellations in South America, Europe, Russia and the US.

Jan Jacob Stam, founder of the Hellinger Institute in The Netherlands, and a very welcome teacher and lecturer in more than twenty countries, has been a leader and researcher in the field of systemic work for over 15 years. This book gives you a look into Jan Jacob's experiences and insights. And as always, he has moved on and continues to develop and search for new insights. There are so many interesting questions still unanswered. This book reads like a dream on a cold winters' nights where no one sleeps and Jan Jacob keeps you awake as he makes you part of this special world.

That Bird Has My Wings is the astounding memoir of death row inmate Jarvis Masters and a testament to the tenacity of the human spirit and the talent of a fine writer. Offering scenes from his life that are at times poignant, revelatory, frightening, soul-stirring, painful, funny, and uplifting, That Bird Has My Wings tells the story of the author's childhood with parents addicted to heroin, an abusive foster family, a life of crime and imprisonment, and the eventual embracing of Buddhism.

From the stillness of the Himalayan peaks, Yogiraj brings to the thirsty and distressed a message of healing and peace. He reveals the secret oral traditions about life, immortality, and self-realization.

Live authentically, abundantly, and victoriously as you learn how to embrace God's will for your life. As one of the most sought-after realizations in this world, discovering your purpose is something countless self-help books will claim they can help you do, but they're missing the biggest piece of the puzzle: your relationship with God. If you're ready to wake up, shake up, break away from bondage, dust off the dullness, and discover genuine joy, it's time to take action and allow the Lord to take control of your life. True transformation can only occur when you're receptive to God's will for your life, and past sorrows and mistakes often prohibit you from moving forward and receiving Jesus's forgiveness and grace. But forgiving others- and receiving forgiveness from the Lord-is imperative for experiencing wholeness and freedom. Growing closer to God also requires some internal housecleaning. From chapters on dusting away anything that dulls the true joy of a relationship with God to receiving the living water from Jesus that quenches any thirst for fulfillment, learn how trusting God fully and seeking after His guidance are the real

keys to receiving lasting contentment and transformation.

As World War II draws to a close, can two young people find love, hope--and freedom? February 1942: Terrifying reports of the Wehrmacht's advance across the Soviet Union spread like wildfire, striking new fear into the already oppressed German families living there. Harri Pfeiffer, now sixteen, is summoned to the forced labour camp in Chelyabinsk. With men around him dying by the hundreds, every day is a fight for survival in a world plagued with despair. Three years later, with the war finally over, Yvo Scholz arrives in Chelyabinsk, desperate for news of her brother, who was also last seen being dispatched to the labour camp. Still uncertain of the fate of her father, it takes all Yvo's unshakeable courage to build a new life for herself while she waits for hope to return. When their paths intersect, Harri and Yvo find a connection they never thought possible. But faced with hostility and discrimination, do they dare to dream they will one day be free--together?

Born free in New York City, Carrie Bennet is unprepared to hear the family secrets her ailing mother, Sarah, reveals. An educated woman who has led a sheltered life, Carrie travels south to fulfill her mother's dying wish - to free her grandmother from slavery.

Circumstances set her on a perilous path that jeopardizes her freedom and leads to a charge of murder. Fearing she'd never get a fair trial, Carrie travels north on the Underground Railroad and joins

Harriet Tubman. As her life hangs in the balance, Carrie fights an unjust judicial system as she struggles to deny a forbidden love. Have you ever experienced brokenness, or perhaps you've encountered deep hurt, and battled with your self worth? This book will speak to the core of a broken spirit. Broken Wings: From Hurt to Hope This story chronicles a journey from a place of hurt to a place of hope and a place of freedom. Through real unfettered words, you will discover that a broken life can be mended again and pain is only temporary and that real victory comes after you made a decision to not give up on you. Hope is a Victor's trademark and is the fuel for life. In reading these pages you will gain insight on how to sustain your hope in the most darkest and challenging times of your life. Will you take this journey with me?

At the end of the Vietnam War, Pan American World Airways successfully evacuated 463 American and Vietnamese civilians on April 24, 1975, aboard a Boeing 747-the last plane out. At the time, Allen H. Topping was serving as the Pan Am Director of South Vietnam and Cambodia and was instrumental in the success of that last flight. Topping lived and worked in South Vietnam for two and a half years. In addition to its global network of scheduled services, Pan Am was also involved in many other rescue and humanitarian operations throughout the world. These operations and missions included the

Berlin Airlift, rescue operations from Tehran, operational support for US forces in WW II, the Korean War, the Vietnam War and, most recently, the Gulf War. Prior to joining Pan Am Allan Topping worked for the Institute of International Education on and United Airlines in New York City. He joined Pan Am on June 2, 1969 as a sales representative, assigned to the San Francisco sales office. In November of 1972, Al became the Director of Vietnam and Cambodia, based in Saigon, South Vietnam. After managing operations at various stations overseas for almost eight years, he returned to the U.S. in 1982, Pan Am appointed him as Assistant to The Chairman Consumer Affairs. Topping continued to hold other management positions until the company ceased operations on December 4, 1991. For the next 23 years he worked for The Miami-Dade School Board Administration, The Miami Herald and the Miccosukee Golf & Country Club in Miami, Florida. Now fully retired Topping is playing lots of golf in Ocala, Florida.

A ninety-one-year-old African American woman tells her story of passage from slavery to freedom to her twenty-one-year-old grandson

In the 1930s, Lewis's dad, Lewis Michaux Sr., had an itch he needed to scratch—a book itch. How to scratch it? He started a bookstore in Harlem and named it the National Memorial African Bookstore. And as far as Lewis Michaux Jr. could tell, his father's bookstore was one of a kind. People from all over came to visit the store, even famous people—Muhammad Ali, Malcolm X, and Langston Hughes, to name a few. In his father's bookstore people bought and read books, and they also learned from each other. People swapped and traded ideas and talked about how things could change. They came together here all because of his father's book itch. Read the story of how Lewis Michaux Sr. and his bookstore fostered new ideas and helped people stand up for what they believed in.

Wings for Change

From the celebrated author of *The Secret Life of Bees* and the forthcoming novel *The Book of Longings*, a novel about two unforgettable American women. Writing at the height of her narrative and imaginative gifts, Sue Monk Kidd presents a masterpiece of hope, daring, the quest for freedom, and the desire to have a voice in the world. Hetty “Handful” Grimke, an urban slave in early nineteenth century Charleston, yearns for life beyond the suffocating walls that enclose her within the wealthy Grimke household. The Grimke’s daughter, Sarah, has known from an early age she is meant to do something large in the world, but she is hemmed in by the

limits imposed on women. Kidd's sweeping novel is set in motion on Sarah's eleventh birthday, when she is given ownership of ten year old Handful, who is to be her handmaid. We follow their remarkable journeys over the next thirty five years, as both strive for a life of their own, dramatically shaping each other's destinies and forming a complex relationship marked by guilt, defiance, estrangement and the uneasy ways of love. As the stories build to a riveting climax, Handful will endure loss and sorrow, finding courage and a sense of self in the process. Sarah will experience crushed hopes, betrayal, unrequited love, and ostracism before leaving Charleston to find her place alongside her fearless younger sister, Angelina, as one of the early pioneers in the abolition and women's rights movements. Inspired by the historical figure of Sarah Grimke, Kidd goes beyond the record to flesh out the rich interior lives of all of her characters, both real and invented, including Handful's cunning mother, Charlotte, who courts danger in her search for something better. This exquisitely written novel is a triumph of storytelling that looks with unswerving eyes at a devastating wound in American history, through women whose struggles for liberation, empowerment, and expression will leave no reader unmoved.

In the turbulent backdrop of India's struggle for freedom in British India, destiny brings together Raju, a young Indian aspiring to be a revolutionary and Eileen, the teenage daughter of a British officer. Will their relationship survive the societal

pressures, cultural divide, and the political turmoil? It is the year 1911. King George the Fifth is due in Delhi for his coronation celebration. A devastating fire in the royal camp gives rise to speculations of sabotage and an assassination attempt by the Indian revolutionaries. In the aftermath of this sensational event, Raju, a college student, struggling to establish his identity in the charged atmosphere of India's freedom struggle, is caught up in the vortex of violent passions, as two of his innocent friends are made scapegoats for the blaze, by the police and murdered. Raju's relentless journey against colonial rule and the economic exploitation of India begins. An effervescent romance with Eileen keeps Raju inspired in their roller-coaster ride through the backdrop of British imperialism, turbulent political conflicts, and the fury of the freedom revolution. "Wings of Freedom" is a novel about British India, with a difference, as an Indian author, Ratan Kaul, brings out this tumultuous era from an Indian point of view.

"I am his muse. But not for long..." When Mammon, the Prince of Greed, 'acquires' a half-blood slave known as 'Muse' for three nights, and bespells her with tales of a world where people live like kings and queens among towers of steel and glass, the seed of hope takes root in Muse's soul. But hope, for a half-human half-demon creature like her, is a dangerous thing. Especially when that tentative hope springs from the honeyed words of a Prince of Hell. What is Mammon's price for freedom? Meanwhile Da'mean, her ruthless owner, would rather see her dead, than free. She

belongs to him. She is his muse. And no beast will take her from him. The netherworld is harsh and violent. Muse's demon kin are merciless, blood-hungry beasts, but little do they know, Muse has something far more dangerous coiled inside her, desperate for a taste of freedom. Her humanity. Reader Note: This prequel is a short story (approx 90 mins read time). It can be read as a stand alone piece, or at any time during, prior to, or after reading any of the novel-length books in The Veil Series without spoilers. WARNING: Wings Of Hope contains some graphic scenes that some readers may find distressing. Genre: Dark Fantasy Recommended for 18+

There are many forms of liberation—some that exist at the mercy of circumstance and others that can never be taken away. In this stirring and timely collection of stories, essays, poems, and letters, Jarvis Jay Masters explores the meaning of true freedom on his road to inner peace through Buddhist practice. He reveals his life as a young African American man surrounded by violence, his entanglement in the
