

Winners Dream A Journey From Corner Store To Corner Office

This memoir details the story of the struggles, triumphs and lessons learned as a small town girl from Minnesota journeyed to L.A. to pursue her dream of competing on a reality TV show. It recounts behind-the-scenes details along with the outcome of what can happen when we pursue passions and dreams that have long been residing in us. If you have a dream that you've been afraid to pursue, the story within these pages will help you discover that you are Strong Enough.

Only you can write the book of your dreams... As personal and unique as fingerprints, our dreams are our best way of peeking in to the workings of our subconscious mind. More often than not, they reflect everything we never say out loud, not even to ourselves. But dreams can be a map of our desires, our fears, and even our hidden potential. Discovering the power of dreams is key to living the life you want, even if what you want might not be apparent on first glance. The Book of My Dreams is your guide to understanding your truest self. By capturing your dreams and identifying the meanings and patterns behind the adventures you experience each night, you can discover what you truly desire--and awaken the power of your inner creativity. The Book of My Dreams is unique. Like your dreams. Like you.

A science journalist explores the latest research on dreams—how they work, what they 're for, and how we can reap the benefits. While on a research trip in Peru, science journalist Alice Robb became hooked on lucid dreaming—the uncanny phenomenon in which a sleeping person can realize that they 're dreaming and even control the dreamed experience. Finding these forays both puzzling and exhilarating, Robb dug deeper into the science of dreams at an extremely opportune moment: just as researchers began to understand why dreams exist. They aren 't just random events; they have clear purposes. They help us learn and even overcome psychic trauma. Robb draws on fresh and forgotten research, as well as her experience and that of other dream experts, to show why dreams are vital to our emotional and physical health. She explains how we can remember our dreams better—and why we should. She traces the intricate links between dreaming and creativity, and even offers advice on how we can relish the intense adventure of lucid dreaming for ourselves. Why We Dream is both a cutting-edge examination of the meaning and purpose of our nightly visions and a guide to changing our dream lives in order to make our waking lives richer, healthier, and happier. “ Robb offers a welcome antidote to the medicine administered by most sleep gurus. ” —New Yorker

NEW YORK TIMES BESTSELLER • The groundbreaking investigation of how the global elite's efforts to "change the world" preserve the status quo and obscure their role in causing the problems they later seek to solve. An essential read for understanding some of the egregious abuses of power that dominate today 's news. "Impassioned... Entertaining reading. ” —The Washington Post Anand Giridharadas takes us into the inner sanctums of a new gilded age, where the rich and powerful fight for equality and justice any way they can—except ways that threaten the social order and their position atop it. They rebrand themselves as saviors of the poor; they lavishly reward “ thought leaders ” who redefine “ change ” in ways that preserve the status quo; and they constantly seek to do more good, but never less harm. Giridharadas asks hard questions: Why, for example, should our gravest problems be solved by the unelected upper crust instead of the public institutions it erodes by lobbying and dodging taxes? His groundbreaking investigation has already forced a great, sorely needed reckoning among the world 's wealthiest and those they hover above, and it points toward an answer: Rather than rely on scraps from the winners, we must take on the grueling democratic work of building more robust, egalitarian institutions and truly changing the world—a call to action for elites and everyday citizens alike.

Winners Dream

A Journey to Reimagine the Promise of America

River of Dreams

Lessons from Corner Store to Corner Office

"How Tony Dungy, Lou Holtz, Andrea Hudy, Don Shula, John Wooden, and other top coaches inspired their teams to greatness."

NEW YORK TIMES BESTSELLER • From the longtime CEO and chairman of Starbucks, a bold, dramatic work about the new responsibilities that leaders, businesses, and citizens share in American society today—as viewed through the intimate lens of one man's life and work. What do we owe one another? How do we channel our drive, ingenuity, even our pain, into something more meaningful than individual success? And what is our duty in the places where we live, work, and play? These questions are at the heart of the American journey. They are also ones that Howard Schultz has grappled with personally since growing up in the Brooklyn housing projects and while building Starbucks from eleven stores into one of the world's most iconic brands. In *From the Ground Up*, Schultz looks for answers in two interwoven narratives. One story shows how his conflicted boyhood—including experiences he has never before revealed—motivated Schultz to become the first in his family to graduate from college, then to build the kind of company his father, a working-class laborer, never had a chance to work for: a business that tries to balance profit and human dignity. A parallel story offers a behind-the-scenes look at Schultz's unconventional efforts to challenge old notions about the role of business in society. From health insurance and free college tuition for part-time baristas to controversial initiatives about race and refugees, Schultz and his team tackled societal issues with the same creativity and rigor they applied to changing how the world consumes coffee. Throughout the book,

Schultz introduces a cross-section of Americans transforming common struggles into shared successes. In these pages, lost youth find first jobs, aspiring college students overcome the yoke of debt, post-9/11 warriors replace lost limbs with indomitable spirit, former coal miners and opioid addicts pave fresh paths, entrepreneurs jump-start dreams, and better angels emerge from all corners of the country. From the Ground Up is part candid memoir, part uplifting blueprint of mutual responsibility, and part proof that ordinary people can do extraordinary things. At its heart, it's an optimistic, inspiring account of what happens when we stand up, speak out, and come together for purposes bigger than ourselves. Here is a new vision of what can be when we try our best to lead lives through the lens of humanity. "Howard Schultz's story is a clear reminder that success is not achieved through individual determination alone, but through partnership and community. Howard's commitment to both have helped him build one of the world's most recognized brands. It will be exciting to see what he accomplishes next."—Bill Gates

In contemporary India, 12-year-old Asha will journey across the dangerous Himalayas to find her missing father and save her family's home -- guided by a mythical bird and a green-eyed tiger who she believes to be the spirits of her ancestors. This is an incredibly unique debut about loss, family, buried treasure, and hope. Asha lives on a family farm with her mother in rural India in the foothills of the Himalayas. Life would be perfect if her father were with them instead of working at the factory in the faraway city. But she knows they wouldn't be able to afford their home without the money he sends home. When four months go by without a single letter, a ruthless debt collector arrives with a warning, and soon the entire world that Asha has known is threatened. Determined to save her home, Asha and her best friend must swallow their fears and set out on a dangerous journey across the Himalayas to find her father. As desperation turns to peril, Asha will face law enforcement, natural disaster, and the wild dangers of the Himalayas. But with a majestic bird and a green-eyed tiger as her guides, who she believes to be the spirits of her ancestors, she's determined to keep faith in order to save her family.

For the better part of a decade, Edward Ugel spent his time closing deals with lottery winners, making a lucrative and legitimate—if sometimes not-so-nice—living by taking advantage of their weaknesses . . . weaknesses that, as a gambler himself, he knew all too well. In *Money for Nothing*, he explores the captivating world of lottery winners and shows us how lotteries and gambling have become deeply inscribed in every aspect of American life, shaping our image of success and good fortune. *Money for Nothing* is a witty, wise, and often outrageously funny account of high expectations and easy money.

Following Your God-Given Destiny

The Law of Dreams tells the story of a young man's epic passage from innocence to experience during The Great Famine in Ireland of 1847. On his odyssey through Ireland and Britain, and across the Atlantic to "the Boston states," Fergus is initiated to violence, sexual heat, and the glories and dangers of the industrial revolution. Along the way, he meets an unforgettable generation of boy soldiers, brigands, street toughs and charming, willful girls - all struggling for survival in the aftermath of natural catastrophe magnified by political callousness and brutal neglect. Peter Behrens transports the reader to another time and place for a deeply-moving and resonant experience. *The Law of Dreams* is gorgeously written in incandescent language that unleashes the sexual and psychological energies of a lost world while plunging the reader directly into a vein of history that haunts the ancestral memory of millions in a new millennium.

Your journey to success starts here **Why Winners Win** identifies the crucial elements of business success and provides step-by-step guidance on getting there. Author Gary Pittard shows you why consistent results are the key contributing factor to lasting success, and helps you identify your personal barriers. Whether you lack the ability to set goals or a plan, motivation or focus, this book will show you how to adjust your course and direct you to the top. Based on the Success Journey model, the discussion focuses on attitude, knowledge, skill and competent action to give you a solid framework to boost your potential and achieve prosperity. You'll learn the essential qualities of a winner, and how to demonstrate these qualities every day in every interaction. Case studies demonstrating success and failure provide you with clear examples of the framework in action and illustrate the cause-and-effect relationship behind everyday choices. Believe it or not, failing at something is a great way to become successful. Experience teaches a lesson no advice could impart, and not being at the top just means there's more room to grow. This book equips you with a solid success plan, the skills you need to execute it and expert insight into your own unique path. Identify and overcome your personal barriers to achieve success Build and amplify winning qualities that that will keep you on course Learn a simple four-step model for achieving consistent results Discover the single most important difference between winners and losers The goal is prosperity - whatever that may mean to you - and attaining a level of freedom and security that allows you to give back and be generous with your money, time and knowledge. Success is a journey, but **Why Winners Win** provides

the roadmap you need to start the journey today.

In 1990 author Kyoko Mori returned to her native Japan to visit the "landscape of my childhood." There--looking for the house in which her mother killed herself, running on land that was once water, and retracing childhood train trips to her grandparents' farm--she relived the memories and uncovered the secrets that unlocked her past. In *The Dream of Water*, a series of chapters that are themselves "small perfections," she leads us to the "larger happiness" of an autobiography that is also a work of art. Japan is the land Mori fled as a teenager, seeking to escape from her cold, abusive father and her manipulative stepmother. It is the country she spend her adult life putting behind her, but it is also her homeland. As she searches through familiar neighborhoods and on distant islands, she is constantly aware of the culture she abandoned and the one she has adopted. Pushed by the sights and sounds of contemporary Japan into her interior world of memory and dreams, she also looks out toward the daylight land of America. A personal journey of discovery that is also an exploration of national difference, *The Dream of Water* explores intimate emotions that reveal profound cultural truths.

The story of a boy who grew up in a poor family and his adventures in love and business.

Champion Coaches and Their Players Share Successful Leadership Principles

Wisdom for Winners Volume Four

Loosely based on Napoleon Hill's seminal title, Think and Grow Rich, Settle for Best lists the common mindsets and actions of renowned philanthropist millionaires from the early 20th century and encourages readers to develop and rely on the skills and mindsets that successful people still use to win big, no matter what shape the economy is in. Written for start-up entrepreneurs and anyone else anyone in search of the "keys to the kingdom" in whatever realm you travel, SETTLE FOR BEST will encourage, inspire and light a fire under you if you truly want to build the life and legacy your heart most desires.

Platinum-award winning country music star Scotty McCreery shares his journey from North Carolina to American Idol and the top of the country music charts. American Idol was just a simple singing competition that seemed fun to audition for. Who knew what kind of doors it might open for a sixteen-year-old from Garner, North Carolina? Go Big or Go Home is the story of a kid with country songs in his soul. Daring to enter the limelight at a young age, Scotty found himself embraced by the nation, and even overseas, as he competed on season 10 of American Idol. In Go Big or Go Home, Scotty shares his journey from his North Carolina roots to winning America's most popular singing competition and launching the musical career he had always dreamed of. Along the way, Scotty teaches us: What it means to have an uncompromising faith The power of dreaming big The importance of embracing your God-given talents Join Scotty as he shares a glimpse of where he came from and the impact his faith, family, and friends have had on a humble guy who keeps asking, "Why me?" Praise for Go Big or Go Home: "Revealing, touching, and often humorous, Go Big or Go Home takes fans behind the scenes of Scotty McCreery's journey so far and pulls back the curtain on American Idol and the music industry while McCreery navigates the tricky waters of instant fame with grace, insight, and, above all, gratitude for the gifts he has been given." --Melinda Newman, music journalist "Being an artist takes you out of your comfort zone and thrusts you into the world. Some of what you experience you are prepared for and some of it you aren't. To quote the country music prophet Aaron Tippin, 'You've got to stand for somethin' or you'll fall for anything.' Scotty McCreery stands for something. You hear it in his voice. You see it in his actions. And you feel it in his songs. This book outlines the wild ride he's been on being thrust into the world." --Josh Turner, Grammy-nominated and multiplatinum-selling MCA recording artist and bestselling author

This is a true story by Martha, a Kenyan High School graduate. She was only 18 when, motivated by desire to have gainful employment, she applied and won green card to live, work and study in USA. The application was a gamble. The win was a surprise but only the beginning of many more surprises. The step by step journey from selection to landing in the United States as legal immigrant is both inspiring and informative. She exposes challenges that confront young people with great promise but limited resources. With no experience she finds herself planning, traveling, meeting and living with strangers. She credits her moral courage to her parents who brought her up in a Godly manner and exposed her to both rural and urban way of life. Dad's parting words at the airport still linger in her mind "Every good gift and every perfect present comes from heaven." James 1: 17. Different views about life in America are expected from relatives and friends to anyone in similar situation. As she contemplates on the positives and negatives, she draws strength from her American host, Joakim who said, "America is not an advisable destination for the lazy and unimaginative minds. A good test should be: If you can make it in Africa, you will excel in USA." He went on to say . "When you come to America, work hard; enroll in classes to study and stay focused. Keep good company and avoid anyone who

would lead you to engage in self destructive activities." The second part of the book is relevant information, readily available in public domain, which Martha found helpful in her settling process in America. It is helpful not only to newly landed immigrants but also those who have been in the country for many years.

Bestselling author Bruce Wilkinson shows how to identify and overcome the obstacles that keep millions from living the life they were created for. He begins with a compelling modern-day parable about Ordinary, who dares to leave the Land of Familiar to pursue his Big Dream. With the help of the Dream Giver, Ordinary begins the hardest and most rewarding journey of his life. Wilkinson gives readers practical, biblical keys to fulfilling their own dream, revealing that there's no limit to what God can accomplish when we choose to pursue the dreams He gives us for His honor. Are you living your dream— or just living your life? Welcome to a little story about a very big idea. This compelling modern-day parable tells the story of Ordinary, who dares to leave the Land of Familiar to pursue his Big Dream. You, too, have been given a Big Dream. One that can change your life. One that the Dream Giver wants you to achieve. Does your Big Dream seem hopelessly out of reach? Are you waiting for something or someone to make your dream happen? Then you're ready for The Dream Giver. Let Bruce Wilkinson show you how to rise above the ordinary, conquer your fears, and overcome the obstacles that keep you from living your Big Dream. You were made for this. Now it's time to begin your journey.

The Journey Toward the Dream

Presents a collection of short readings and illustrations that help readers think about their hopes and dreams.

Winner of the Pulitzer Prize and National Book Award Finalist Young Martin Dressler begins his career as an industrious helper in his father's cigar store. In the course of his restless young manhood, he makes a swift and eventful rise to the top, accompanied by two sisters--one a dreamlike shadow, the other a worldly business partner. As the eponymous Martin's vision becomes bolder and bolder he walks a haunted line between fantasy and reality, madness and ambition, art and industry, a sense of doom builds piece-by-hypnotic piece until this mesmerizing journey into the heart of an American dreamer reaches its bitter-sweet conclusion.

WINNER OF THE 2020 PULITZER PRIZE IN GENERAL NONFICTION "The Undying is a startling, urgent intervention in our discourses about sickness and health, art and science, language and literature, and mortality and death. In dissecting what she terms 'the ideological regime of cancer,' Anne Boyer has produced a profound and unforgettable document on the experience of life itself." —Sally Rooney, author of Normal People "Anne Boyer's radically unsentimental account of cancer and the 'carcinogenosphere' obliterates cliché. By demonstrating how her utterly specific experience is also irreducibly social, she opens up new spaces for thinking and feeling together. The Undying is an outraged, beautiful, and brilliant work of embodied critique." —Ben Lerner, author of The Topeka School A week after her forty-first birthday, the acclaimed poet Anne Boyer was diagnosed with highly aggressive triple-negative breast cancer. For a single mother living paycheck to paycheck who had always been the caregiver rather than the one needing care, the catastrophic illness was both a crisis and an initiation into new ideas about mortality and the gendered politics of illness. A twenty-first-century Illness as Metaphor, as well as a harrowing memoir of survival, The Undying explores the experience of illness as mediated by digital screens, weaving in ancient Roman dream diarists, cancer hoaxers and fetishists, cancer vloggers, corporate lies, John Donne, pro-pain "dolorists," the ecological costs of chemotherapy, and the many little murders of capitalism. It excoriates the pharmaceutical industry and the bland hypocrisies of "pink ribbon culture" while also diving into the long literary line of women writing about their own illnesses and ongoing deaths: Audre Lorde, Kathy Acker, Susan Sontag, and others. A genre-bending memoir in the tradition of The Argonauts, The Undying will break your heart, make you angry enough to spit, and show you contemporary America as a thing both desperately ill and occasionally, perversely glorious. Includes black-and-white illustrations

Do you dare to dream? If so, you are a results-oriented person. Dream is designed to help you both transform your own life and contribute to making the world a better place. Dreaming is something you do or should do. You were created to create, and your ability to dream is paramount and fundamental when it comes to living a dream-come-true life. Dream will help you design a life that is the highest expression of your purpose by creating dreams in every area that matters to you, both personally and professionally. This book will help you take real steps toward creating and achieving the dreams that matter to you most. It will help you to uncover, or recover, your purpose so that you can live with purpose and there is nothing that will bring you greater fulfillment. Reading this book will help you to fully understand: Who you really are How you want your life to be How to develop dreams that inspire you How to look at your life with a fresh perspective How to remove fear, doubt, or other obstacles How to implement shortcuts and the techniques you will learn Dream will teach you exactly how to do these and so much more."

A Graphic Memoir

The Alchemy of Your Dreams

Why Winners Win

Asha and the Spirit Bird

A Father's Dream: My Family's Journey in Music chronicles the life of a musician, performer, man of God, and successful Mexican American entrepreneur. This is the story of a man who has experienced great joy and even greater pain, but by holding onto the strength embedded in each of us, embracing the love of family, and leaning on his faith in God, he is able to move forward toward the future with a positive disposition. Abraham Quintanilla takes the reader on the journey of his life, a life that reflects the up and down experiences of a self-made success. With a raw emotion and honesty, he shares the twists and turns of a road many readers may have been forced to travel and a few others hope never to traverse. From the sublime joys of fatherhood, to the accomplishment of creating a musical empire and surviving its failures, he shares the unexpected life events that make up each of our lives. Every reader will gain a stronger sense of humanity and a deeper understanding of just how precious and fleeting life can be from reading this memoir. Readers will also be given a close and personal view into the behind-the-scenes intricacies of a successful family business. Share the joy a parent feels for their children's success. And most of all, readers will understand the human need to embrace one's own talents. Finally, anyone who picks up this book and reads it will come to know that unforeseen tragedy can and does happen, but with faith and family as our support system, we are able to pick up the pieces of our broken hearts and walk bravely into the future with our newfound hope lighting the way.

A leadership and career manifesto told through the narrative of one of today's most inspiring, admired, and successful global leaders. In *Winners Dream*, Bill McDermott—the CEO of the world's largest business software company, SAP—chronicles how relentless optimism, hard work, and disciplined execution embolden people and equip organizations to achieve audacious goals. Growing up in working-class Long Island, a sixteen-year-old Bill traded three hourly wage jobs to buy a small deli, which he ran by instinctively applying ideas that would be the seeds for his future success. After paying for and graduating college, Bill talked his way into a job selling copiers door-to-door for Xerox, where he went on to rank number one in every sales position he held and eventually became the company's youngest-ever corporate officer. Eventually, Bill left Xerox and in 2002 became the unlikely president of SAP's flailing American business unit. There, he injected enthusiasm and accountability into the demoralized culture by scaling his deli, sales, and management strategies. In 2010, Bill was named co-CEO, and in May 2014 became SAP's sole, and first non-European, CEO. Colorful and fast-paced, Bill's anecdotes contain effective takeaways: gutsy career moves; empathetic sales strategies; incentives that yield exceptional team performance; and proof of the competitive advantages of optimism and hard work. At the heart of Bill's story is a blueprint for success and the knowledge that the real dream is the journey, not a preconceived destination.

Draped in themes of first love and family, secrets and malevolence, and swirling through an exhilarating dream world full of danger, violence, and love, Jan Nash's exciting debut is a high-stakes adventure full of suspense, romance, and magic, perfect for fans of *Stanger Things* and *Supernatural*. Finn Driscoll is counting down the days until she can leave for college. With her beloved brother, Noah, in a coma and her high school social life sinking every day, she's ready for a fresh start. Until the night she sees Noah in a dream. He begs for her help. At first, she shakes it off as just a nightmare. Then it happens again. And again. Frightened, Finn confides in her grandmother, only to learn the shocking truth about her family. They're Dreamwalkers--heroes who step into the River of Dreams and fight the monsters in other people's nightmares, freeing them to face the problems in their real lives. Awake or asleep, Finn has never thought of herself as any kind of hero, and walking through other people's dreams seems much worse than just hiding at school. But as hard as facing this challenge might be, Finn knows she has no choice: she will do anything she can to save her brother.

The co-CEO of the world's largest business software company, SAP, uses the story of his life to show how relentless optimism, hard work and disciplined execution can embolden people and equip organizations to achieve audacious goals. 100,000 first printing.

Martin Dressler

My Family's Journey in Music

In the pantheon of CEOs, few people have the visibility, charisma and hunger of Bill McDermott. His career is a classic story of ambition and drive: from the hard-knock streets of his youth in Long Island, to his first forays in business behind the counter of a deli he bought and then operated at the age of 17, to his extraordinary rise through the Xerox Corporation where he pleaded for his first job, to his emergence as the co-CEO of one of the most celebrated and admired global companies of our age. His stories - at turns hilarious and moving, but always inspiring - offer invaluable lessons in self-direction, management and leadership.

From the international bestselling author of All the Birds in the Sky, Charlie Jane Anders, comes Dreams Bigger Than Heartbreak, the sequel to Victories Greater Than Death in the thrilling adventure Unstoppable series. They'll do anything to be the people they were meant to be — even journey into the heart of evil. Rachael Townsend is the first artist ever to leave Earth and journey out into the galaxy — but after an encounter with an alien artifact, she can't make art at all. Elza Monteiro is determined to be the first human to venture inside the Palace of Scented Tears and compete for the chance to become a princess — except that inside the palace, she finds the last person she ever wanted to see again. Tina Mains is studying at the Royal Space Academy with her friends, but she's not the badass space hero everyone was expecting. Soon Rachael is journeying into a dark void, Elza is on a deadly spy mission, and Tina is facing an impossible choice that could change all her friends lives forever. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

From the New York Times bestselling author of The Wonderful Things You Will Be is Emily Winfield Martin's little book for little dreamers. Ideal for bedtime reading, this board book will be a hit with sleepy tots Emily Winfield Martin convinces little ones to close their eyes and discover what their dream animal might be--a fox? a bear? a narwhal?--and what dream it might take them to. With perfect nighttime rhymes and gorgeous illustrations, this book is irresistible.

A Newbery Honor Book • BookPage Best Books • Chicago Public Library Best Fiction • Goodreads Choice Awards Nominee • Horn Book Fanfare • New York Times Notable Children's Book • School Library Journal Best Book • Today Show Pick • An ALA Notable Book “ A 10 out of 10 . . . Anyone interested in science, sibling relationships, and friendships will enjoy reading We Dream of Space. ” —Time for Kids Newbery Medalist and New York Times –bestselling author Erin Entrada Kelly transports readers to 1986 and introduces them to the unforgettable Cash, Fitch, and Bird Nelson Thomas in this pitch-perfect middle grade novel about family, friendship, science, and exploration. This acclaimed Newbery Honor Book is a great choice for readers of Kate DiCamillo, Rita Williams-Garcia, and Rebecca Stead. Cash, Fitch, and Bird Nelson Thomas are three siblings in seventh grade together in Park, Delaware. In 1986, as the country waits expectantly for the launch of the space shuttle Challenger, they each struggle with their own personal anxieties. Cash, who loves basketball but has a newly broken wrist, is in danger of failing seventh grade for the second time. Fitch spends every afternoon playing Major Havoc at the arcade on Main and wrestles with an explosive temper that he doesn't understand. And Bird, his twelve-year-old twin, dreams of being NASA's first female shuttle commander, but feels like she's disappearing. The Nelson Thomas children exist in their own orbits, circling a tense and unpredictable household, with little in common except an enthusiastic science teacher named Ms. Salonga. As the launch of the Challenger approaches, Ms. Salonga gives her students a project—they are separated into spacecraft crews and must create and complete a mission. When the fated day finally arrives, it changes all of their lives and brings them together in unexpected ways. Told in three alternating points of view, We Dream of Space is an unforgettable and thematically rich novel for middle grade readers. We Dream of Space is illustrated throughout by the author.

A Journey to Self-Discovery and Creative Fulfillment

Coaching Wisdom

Dreams Bigger Than Heartbreak

The Jimmy Culveyhouse Story

Clarify and Create What You Want

Unlocking The Potential To Live Your God-Given Dreams

I Was Their American Dream

Winners of 8 national championships, Indiana University is to men's college soccer what University of North Carolina is to college basketball or University of Notre Dame is to college football. To Chase a Dream is the true story of one kid's near-impossible desire to play soccer at that national powerhouse, a kid who was told time after time that he simply wasn't good enough and never would be. What all the doubters failed to consider was that inside the body of an under-sized, humble Paul Kapsalis was the heart of a lion. This is his journey, a story that affirms that perseverance, optimism, hard work, a willingness to learn, and kindness can lead to remarkable achievements and transform a kid who just wanted to play soccer into a leader of men. It took him 5 years, fighting through rejection and a career-threatening injury, but Paul got where he never expected to go. Here's a chance to see how he did it.

A triumphant tale of self-discovery, a celebration of a family's rich heritage, and a love letter to American immigrant freedom. I Was Their American Dream is at once a journal of growing up and a reminder of the thousands of immigrants who come to America in search for a better life for themselves and their children. The daughter of parents with unfulfilled dreams themselves, Malaka navigated her childhood chasing her parents' ideals, learning to code-switch between her family's Filipino and Egyptian customs, adapting to white culture to fit in, crushing on skater boys, and trying to understand the tension between holding onto cultural values and trying to be an all-American kid. In a graphic novel format, Malaka Gharib's illustrations bring to life her teenage antics and illuminate earnest questions about identity

and culture, while providing thoughtful insight into the lives of modern immigrants and the generation of millennial children they raised. Malaka's upbringing will look familiar to anyone who grew up in the pre-internet era, but her particular story is a heartfelt tribute to the American immigrants who have invested their future in the promise of the American dream.

Winners Dream A Journey from Corner Store to Corner Office Simon and Schuster

#1 NEW YORK TIMES BESTSELLER • “A great American success story . . . an endearing and well-written book.”—The New York Times Book Review Colin Powell is the embodiment of the American dream. He was born in Harlem to immigrant parents from Jamaica. He knew the rough life of the streets. He overcame a barely average start at school. Then he joined the Army. The rest is history—Vietnam, the Pentagon, Panama, Desert Storm—but a history that until now has been known only on the surface. Here, for the first time, Colin Powell himself tells us how it happened, in a memoir distinguished by a heartfelt love of country and family, warm good humor, and a soldier's directness. My American Journey is the powerful story of a life well lived and well told. It is also a view from the mountaintop of the political landscape of America. At a time when Americans feel disenchanting with their leaders, General Powell's passionate views on family, personal responsibility, and, in his own words, “the greatness of America and the opportunities it offers” inspire hope and present a blueprint for the future. An utterly absorbing account, it is history with a vision.

The Elite Charade of Changing the World

Transformation is about the questions you are willing to ask yourself rather than the answers you think you already know. For several decades, through his weekly columns as well as his books, movies, and speeches, Jim Stovall has endeavored to convince people that having a positive attitude, focusing their energy, and acting upon their motivations can bring positive results in their lives. Wisdom for Winners Volume Four is the latest collection of these weekly columns. The selections included in this book are arranged in eight stand-alone thematic units for generating success. The ideas and concepts in these weekly columns come directly from the author's own real-life experiences. Value for the career professional and the entrepreneur can be found through Stovall's wisdom and millionaire experience presented within these pages. Organized into small sections, the material can be read incrementally for greater impact. Study and follow the path that Jim and others have traveled before you and enjoy the rewards of your success!

The inspirational story of an ordinary man with an extraordinary amount of determination. Raised in Gary, Indiana, his only dream was to go to the University of Notre Dame. Though only 5'6" inches tall he earned nine letters in high school and graduated with honors. Rejected on three different attempts to get into ND, he finally gets in on a probationary basis. He walks onto the golf team, earns four letters and sets the course record of 64 that still stands. His life gets more amazing from there and it reads like a combination of Rudy, Forrest Gump and Tuesdays With Morrie. After achieving success in the corporate world, he revives a community college outreach program in Salem, Oregon and helps more than 600 businesses. Stricken with a fatal illness he dedicates his life to raising money to find a cure. No longer able to walk or talk, he keeps inspiring all by fighting to give so that a cure may be found. A inspiring story of commitment, passion, perseverance and a love of golf, family and Notre Dame

Unlock the power of your dreams to lead you on the ultimate journey of self-discovery and personal growth. Roughly one-third of our lives are spent sleeping. We know that sleep is vital for rest and rejuvenation, but what if this time could be used for something more? What if our dreams really are telling us something? Psychologist and dream expert Athena Laz has dedicated her career to uncovering the wisdom of our dreams and revolutionizing what it means to be in touch with ourselves and the universe. Packed with exercises and step-by-step instructions, The Alchemy of Your Dreams teaches readers how to interpret their dreams in order to achieve more in their waking lives. From improved mental well-being to enhanced spirituality, this groundbreaking book provides a road map to:

- Decoding your dreams to uncover their innate guidance
- Learning the ancient art of lucid dreaming & discovering the incredible gifts that accompany the practice
- Rekindling the connection to your unconscious and subconscious mind through your dreams
- Understanding the specific dream figures and symbols that appear in your dreams
- Exploring the world of consciousness and gaining clarity on who you really are
- Unleashing creativity and overcoming past pain for greater well-being

For anyone who has ever felt that their dreams have true import and meaning, this book provides the exact tools needed to unravel their symbolism and harness their power to transform our lives.

From a star theoretical physicist, a journey into the world of particle physics and the cosmos—and a call for a more liberatory practice of science.

Winner of the 2021 Los Angeles Times Book Prize in Science & Technology A Finalist for the 2022 PEN/E.O. Wilson Literary Science Writing Award A Smithsonian Magazine Best Science Book of 2021 A Symmetry Magazine Top 10 Physics Book of 2021 An Entropy Magazine Best Nonfiction Book of 2020-2021 A Publishers Weekly Best Nonfiction Book of the Year A Kirkus Reviews Best Nonfiction Book of 2021 A Booklist Top 10 Sci-Tech Book of the Year In The Disordered Cosmos, Dr. Chanda Prescod-Weinstein shares her love for physics, from the Standard Model of Particle Physics and what lies beyond it, to the physics of melanin in skin, to the latest theories of dark matter—along with a perspective informed by history, politics, and the wisdom of Star Trek. One of the leading physicists of her generation, Dr. Chanda Prescod-Weinstein is also one of fewer than one hundred Black American women to earn a PhD from a department of physics. Her vision of the cosmos is vibrant, buoyantly nontraditional, and grounded in Black and queer feminist lineages. Dr. Prescod-Weinstein urges us to recognize how science, like most fields, is rife with racism, misogyny, and other forms of oppression. She lays out a bold new approach to science and society, beginning with the belief that we all have a fundamental right to know and love the night sky. The Disordered

Cosmos dreams into existence a world that allows everyone to experience and understand the wonders of the universe.

A Journey into Dark Matter, Spacetime, and Dreams Deferred

You've been given a dream that has been whispering to you since the day you were born. When will you decide to live it? There is limitless potential within you, but do you know how to unlock it to live the life God intended for you? No more fear. No more self-doubt. There is a winner in you! Taneka uses her unique gift of story-telling to share lessons from her life's experiences. She reveals timeless wisdom as she walks you through the adversity she faced on her journey to becoming a professional athlete. If you want to change the quality of your life for the better, then this is the book for you! *Winners Win* teaches you how to: Free yourself from your past mistakes. Get rid of fear and experience the power of faith. Discover your true purpose. Develop winning characteristics that will change your life.

We are resilience. We are hope. We are dreamers. Yuyi Morales brought her hopes, her passion, her strength, and her stories with her, when she came to the United States in 1994 with her infant son. She left behind nearly everything she owned, but she didn't come empty-handed. From the author-illustrator of *Bright Star*, *Dreamers* is a celebration of making your home with the things you always carry: your resilience, your dreams, your hopes and history. It's the story of finding your way in a new place, of navigating an unfamiliar world and finding the best parts of it. In dark times, it's a promise that you can make better tomorrows. This lovingly-illustrated picture book memoir looks at the myriad gifts migrants bring with them when they leave their homes. It's a story about family. And it's a story to remind us that we are all dreamers, bringing our own strengths wherever we roam. Beautiful and powerful at any time but given particular urgency as the status of our own Dreamers becomes uncertain, this is a story that is both topical and timeless. The lyrical text is complemented by sumptuously detailed illustrations, rich in symbolism. Also included are a brief autobiographical essay about Yuyi's own experience, a list of books that inspired her (and still do), and a description of the beautiful images, textures, and mementos she used to create this book. A parallel Spanish-language edition, *Soñadores*, is also available. Winner of the Pura Belpré Illustrator Award! A New York Times / New York Public Library Best Illustrated Book A New York Times Bestseller Recipient of the Flora Stieglitz Strauss Award A 2019 Boston Globe - Horn Book Honor Recipient An Anna Dewdney Read Together Honor Book Named a Best Book of 2018 by Kirkus Reviews, Publishers Weekly, School Library Journal, Shelf Awareness, NPR, the Boston Globe, the Chicago Tribune, Salon.com-- and many more! Nonfiction Honoree A Bulletin of the Center for Children's Books Blue Ribbon title A Bank Street Best Children's Book of the Year A CLA Notable Children's Book in Language Arts Selected for the CBC Champions of Change Showcase

An informative, inspirational picture book biography about twins Julián and Joaquin Castro, who rose from poverty to become leaders for positive change in America. The story of political powerhouse twins Julián and Joaquin Castro began in the small room that they shared with their grandmother Victoriana in San Antonio, Texas. Victoriana crossed the border from Mexico into Texas as a six-year-old orphan, marking the start of the family's American journey. Her daughter Rosie, Julián and Joaquin's mom, was an activist who helped the barrio through local government. The strong women in their family inspired the twins to get involved in politics. Julián and Joaquin have been working at the local, state, and national level--as a former presidential candidate, mayor and member of President Obama's Cabinet, and a U.S. Congressman, respectively--to make the country a better place for everyone. Acclaimed author Monica Brown and illustrator Mirelle Ortega depict the Castros' political and personal accomplishments in this must-read picture book biography. Also available in a Spanish edition: *Pequeña habitación, grandes sueños*.

Go for the Goal! World Cup-winning soccer player Julie Ertz inspires kids to lead a life of faith and virtue as she shares her own stories and the lessons she has learned in childhood and now in her illustrious playing career. Each chapter focuses on a character trait essential to success on and off the playing field. Children will discover the value of sacrifice, hard work, and having a good attitude. They will gain a trusted mentor in Julie, who encourages them through personal examples to be winners in life. Packed with engaging photos and filled with timely wisdom and biblical truth for tweens, this book will help boys and girls chase their dreams with passion and purpose.
