Twin bead is a popular material for beading enthusiasts like me! They're great when creating circular shape components. This tutorial, we'll teach you how to create flower components that can be used in a variety of ways. You can use them as earrings and charms. You can link each flower component to form a bracelet or necklace. The beadwork is designed in a way that will give you options what type of necklace you'd like to use. You can choose to attach the beadwork using plain stringed beads, a leather rope or maybe a ribbon. With the beaded chain style, the beadwork turned into an elegant, casual, any occasion jewelry. The tutorial is catered for intermediate students. One must have a basic knowledge of Circular Flat Peyote Stitch and Right Angle Weave to create the components. A little wirework knowledge is needed if you decide to follow our suggested design for the necklace. It has in-depth instructions and ultra-clear, close-up photos and diagrams at each step.
