WJEC/Eduqas Sociology for AS and Year 1

WJEC Eduqas GCSE Sociology Revision Guide

First Published in 1994. Is there such a thing as right and wrong? Are some codes of behaviour more justified than others? Is it foolish to believe in moral principles? Is 'virtue' just a quaint Victorian term and does anyone care in any case? The Puzzle of Ethics tackles these formidable questions and many more in a clear and easy to understand manner without every becoming superficial. Throughout the approaches of major philosophers are explained and specific issues are addressed, including: Just War theory, situation ethics, abortion, euthanasia, as well as Buddhist, Hindu and Islamic ethics. This challenging book is of considerable relevance, dealing as it does with the central areas of ethical concern in today's world. It is the ideal introduction to the field for students.

The second edition of Women and Crime is a carefully revised version of what has become the standard text on this subject. It provides a comprehensive review of findings about female criminality, women and criminal justice, and the treatment of female offenders. It also offers a clear analysis of theoretical perspectives, of images of deviant women and women's experiences of social control. A new section reviews developments during the past decade and outlines the shifts in social research and crime concerns. The bibliography has been thoroughly revised and updated.

Expertly drawing on international examples and existing literature, Penal Populism closes a gap in the field of criminology. In this fascinating expose of current crime policy John Pratt examines the role played by penal populism on trends in contemporary penal policy. Penal populism is associated with the public's decline of deference to the criminal justice establishment amidst alarm that crime is out of control. Pratt argues that new media technology is helping to spread national insecurities and politicians are not only encouraging such sentiments but are also being led on by them. Pratt explains it is having most influence in the development of policy on sex offenders, youth crime, persistent criminals and anti-social behaviour. This topical resource also covers new dimensions of the phenomenon, including: the changing nature and structure of the mass media less reliance on the more orthodox expertise of civil servants and academics limitations to the impact of populism, bureaucratic resistance from judges, lawyers and academics and the restorative justice movement. This is essential reading for students, researchers and professionals working in criminology and crime policy.

MEMORY ENHANCING TECHNIQUES FOR INVESTIGATIVE INTERVIEWING

Exam board: OCR Level: A-level Subject: Law First teaching: September 2017 First exams: Summer 2019 This student book will be selected for OCR endorsement process. Accurately cover the breadth of content in the new 2017 OCR A Level specifications with this textbook written by leading A Level Law authors. This engaging and accessible textbook contains complete coverage of the full A Level specification. From leading law authors Jacqueline Martin, Richard Wortley and Nicholas Price, it is comprehensive, authoritative and updated with important changes to the law. - Book 2 covers the A Level material beyond AS. - Important, up-to-date and interesting cases and scenarios highlight key points. - Discussion and activity tasks increase your students' understanding of more difficult concepts. - Practice questions and self-test questions to help your students prepare for their exams. This student book includes: - Criminal Law (Additional A Level content) - The Law of Tort (Additional A Level content) - The Nature of Law - Human Rights Law - The Law of Contract Authors: - Jacqueline Martin LL.M has ten years' experience as a practising barrister and has taught law at all levels. - Richard Wortley is Director and Head of Department of the Jill Dando Institute of Security and Crime Science at University College London. - Nicholas Price is an experienced teacher of Law and is an A Level Law textbook author.

Despite the obvious importance of eyewitness information in criminal investigation, police receive surprisingly little instruction on how to conduct an effective interview with a cooperative eyewitness. More than half of police departments have no formal training whatsoever for newly appointed investigators. Most texts in police science either completely omit the issue of effective interviewing techniques or provide only superficial coverage. This manual provides guiding principles to effective interviewing, with specific techniques to be used and others to be avoided. There are principles of memory retrieval so that the reader will understand why to employ specific techniques -- for example, when to use open-ended versus direct short-answer questions, effective use of pauses, asking follow-up questions, cues to name and number recall, etc. There is the strategy of interview sequential structure -- that is, what to probe for at the beginning, middle, and end of the interview. Also included are practical exercises and real-world experiences. The book will also be helpful for attorneys in conducting investigative interviews.

Endorsed by WJEC/Eduqas, this Student Book offers high quality support you can trust. Written by experienced Media

Studies teachers and examiners, this engaging resource will encourage your students to become confident, independent learners and develop their skills as Media students.// All areas of the specification are covered and supported by numerous highly-illustrated examples taken from the set products and optional choices. // The theoretical framework underpinning media studies is explored and applied to a range of media forms and products. // A dedicated chapter on the Non-Examined Assessment element of the specification provides clear guidance on how students will be assessed. // Exam guidance sections introduce students to practice questions and the assessment objectives helping students with the skills they need for assessment. // Extension tasks will help to stretch and challenge higher ability students. // The book supports students taking Media Studies for the first time, as well as those who are progressing from GCSE. This text offers an activity-based approach to the often difficult topic of the English legal system. The text incorporates a wide range of activities, exercises and real examination questions along with illustrations.
