

Women Who Run With The Wolves Contacting The Power Of The Wild Woman

In this special twenty-fifth anniversary edition of Thomas Moore's bestselling Care of the Soul, which includes a new introduction by the author, readers are presented with a revolutionary approach to thinking about daily life—everyday activities, events, problems, and creative opportunities—and a therapeutic lifestyle is proposed that focuses on looking more deeply into emotional problems and learning how to sense sacredness in ordinary things. Basing his writing on the ancient model of “care of the soul”—which provided a religious context for viewing the everyday events of life—Moore brings “care of the soul” into the twenty-first century. Promising to deepen and broaden the readers’ perspectives on their life experiences, Moore draws on his own life as a therapist practicing “care of the soul,” as well as his studies of the world’s religions and his work in music and art, to create this inspirational guide that examines the connections between spirituality and the problems of individuals and society. “Thoughtful, eloquent, inspiring.” —San Francisco Chronicle “I soulfully recommend it without reservation.” —John Bradshaw, author of Homecoming

A Jungian analyst explores the feminine psyche through stories of “wild women”—the mythological archetype of the strong, primitive woman. 115,000 first printing.

Set in 1970s Japan, this tender and poetic novel about a young, single mother struggling to find her place in the world is an early triumph by a modern Japanese master. Alone at dawn, in the heat of midsummer, a young woman named Takiko Odaka departs on foot for the hospital to give birth to a baby boy. Her pregnancy, the result of a brief affair with a married man, is a source of sorrow and shame to her abusive parents. For Takiko, however, it is a cause for reverie. Her baby, she imagines, will be hers and hers alone, a challenge that she also hopes will free her. Takiko’s first year as a mother is filled with the intense bodily pleasures and pains that come from caring for a newborn. At first she seeks refuge in the company of other women—in the hospital, in her son’s nursery—but as the baby grows, her life becomes less circumscribed as she explores Tokyo, then ventures beyond the city into the countryside, toward a mountain that captures her imagination and desire for a wilder freedom.

Introduces the author's step-by-step plan for identifying core desires and acting upon them to create successful, satisfying, and more fulfilling lives.

"Nicole Jardim walks the talk, and I am confident that Fix Your Period will help ignite the hormone balance you are seeking and restore your vitality." --Sara Gottfried, MD, New York Times bestselling author of The Hormone Cure A life-changing step-by-step natural protocol to lasting hormone balance and improve everything from PMS, period pain, and heavy periods to irregular cycles and missing periods, from Nicole Jardim, certified women's health coach and co-host of the podcast The Period Party. For most women, getting their period sucks. Bloating. Cramps. Acne. Aches. Moodiness. Messiness. No wonder we call it The Curse! For many, it's not just an inconvenience—it's a colossal life disruption, forcing them to miss work, school, appointments, or dates. We've been encouraged to medicate away common period problems with birth control and ibuprofen, and just survive the mood swings as best we can. But as Nicole Jardim explains, periods aren't a nuisance, they're information. When you learn to decode your period (or lack thereof), you'll be able to recognize the underlying hormone imbalances causing your period problems and know how to fix them naturally with Jardim's proven six-week protocol to resolve even the most challenging hormone imbalances and menstruation issues. Joining the ranks of books by Jolene Brighten, Sara Gottfried, Aviva Romm, Nicole Jardim's Fix Your Period is essential for women plagued by PMS, irregular, painful, or heavy periods, PCOS, Endometriosis, or fibroids—and for anyone who wants to take charge of her hormonal health—and regain control of her life—naturally. How often do we ask ourselves, 'What will make me happy? What do I really want from life?' In A Life of One's Own Marion Milner explores these questions and embarks on a seven year personal journey to discover what it is that makes her happy. On its first publication, W. Auden found the book 'as exciting as a detective story' and, as Milner searches out clues, the reader quickly becomes involved in the chase. Using her own personal diaries, kept over many years, she analyses moments of everyday life and discovers ways of being, of looking, or moving, that bring surprising joy – ways which can be embraced by anyone. With a new introduction by Rachel Bowlby this classic remains a great adventure in thinking and living and will be essential reading for all those interested in reflecting on the nature of their own happiness whether readers from a literary, an artistic, a historical, an educational or a psychoanalytic/psychotherapeutic background. Through the skillful use of a great variety of literary genres, this book explores the intimate relation and tension between religion and spirituality, evoking a wide range of responses that may awaken one to various possibilities of spiritual experience.

The Women Who Run with the Wolves Study Guide contains a comprehensive summary and analysis of Women Who Run with the Wolves by Clarissa Pinkola Phd Estes. It includes a detailed Plot Summary, Chapter Summaries & Analysis, Character Descriptions, Objects/Places, Themes, Styles, Quotes, and Topics for Discussion on Women Who Run with the Wolves. Can anything be more agonizing than the burden of an idea that we are doomed to die at the end? Imagine all your struggles on this earth, and the experiences you had acquired, will one day be gone as that flash of life energy leaves the encumbered casing. That is exactly what most people accept to be true. Our inability to understand our soul 's journeys is our inability to understand our physical and immaterial existence. That most of us cannot differentiate physical material and nonphysical immaterial existence is reason enough not to understand creation and its purpose. But once we understand, we begin to see the purpose for physical material death and the reason for the immaterial part of us to rejuvenate by taking a new cocoon—a new body—to continue its journeys and its purpose to learn and experience. Always remember that life existed before creations. "Call her Our Lady, La Nuestra Señora, Holy Mother—or one of her thousands of other names," says Dr. Est é s. "She wears hundreds of costumes, dozens of skin tones, is patroness of deserts, mountains, stars and oceans. Thus she comes to us in billions of images, but at her centre, she is the Great Immaculate Heart." With Untie the Strong Woman, Dr. Clarissa Pinkola Est é s invites us to reconnect with "the fierce and loving Blessed Mother who is friendly, but never tame—she who flies to our aid when the road is long and our hearts are broken, ever ready to rekindle the inner fire of our creative souls." In her first book in more than a decade, Dr. Est é s illuminates Our Lady through blessings, images, and narrative, including: • Stories of connecting with the Blessed Mother, including "Meeting the Lady in Red", and "Untie the Strong Woman" • Blessed Mother's many images from around the world, including "Litany of The Mother Road: A Chant of Her Incandescent Names"; "A Man Named Mary"; and "The Marys of Mother Africa" • The wild side of her love, including "Massacre of the Dreamers: The Maiz Mother"; "Holy Card of Swords Through the Heart"; and "Guadalupe is a Girl Gang Leader in Heaven" "The Blessed Mother is often 'Friend to the friendless one' and Mother to all—yet too many of us have been estranged from her for far too long." Untie the Strong Woman opens a channel to this sacred and nurturing force—"breaking through walls that have held us back from her presence, and instead, inviting us to shelter under her starry green mantle".

Women run for all kinds of reasons. We run for health, to ease tension, for strength, to challenge ourselves, to be social with friends, as professional athletes or the dream of being one, to turn our minds on, and to turn them off. Whether running a marathon, taking a quick jog around the neighborhood, or trying to reach the top of Pikes Peak, women of all ages and abilities have discovered running. In Women Who Run a wide range of women, including Olympians, marathoners, ultra runners, young track phenoms, and recreational runners, talk about why they run, what drives them, and what continues to spark their interest in the sport. Women Who Run features Bobbi Gibb, the first woman to run the Boston Marathon; Louise Cooper, breast cancer survivor and finisher of the grueling 135-mile Badwater Marathon; Kristin Armstrong, who found solace and camaraderie in running with other women post-divorce; Olympic runner and two-time LA Marathon winner and Kenyan Lornah Kiplagat, Wall Street Journal reporter and Muslim women's activist, Asra Nomani; Pam Reed who ran 300-miles in one run—and many more. This book will inspire and motivate you to get off the couch and find your inner runner.

Summary of Clarissa Pinkola Estés ' s Women Who Run With The Wolves

A heartwarming story, perfect for the holidays, is beautifully rendered by the noted storyteller and Jungian analyst who brought readers Women Who Run with the Wolves. Original.

A humorous look at self-help programs for women offers a program for finding your Inner Poodle that involves no goddess ceremonies, drumming, or screeching at the moon

Solène Marchand begins an impassioned affair with a member of her daughter's favorite boy band.

Ode to Our Wild Feminine Souls This provocative book invites you to create your own spiritual path based on often-suppressed ancient principles and contemporary practices. Using the elements (earth, water, fire, air, ether) rather than traditional patriarchal hierarchies, this 'holy book' is designed to connect each individual to their universal — but often denied — powers. Wild woman Danielle Dulsky takes you deep as she explores and embraces sacred feminine archetypes such as the Mother Goddess, the Crone, and the Maiden. Join her as she guides you to envision and explore a world that enriches and supports your spirit, body, and mind as well as our global community and the Earth.

The creator of the internationally popular, multiple award-winning blog MsAfropolitan applies an Africa-centered feminist sensibility to issues of racism and sexism, challenging our illusions about oppression and liberation and daring women to embrace their power. Sensuous Knowledge is a collection of thought provoking essays that explore questions central to how we see ourselves, our history, and our world. What does it mean to be oppressed? What does it mean to be liberated? Why do women choose to follow

authority even when they can be autonomous? What is the cost of compromising one's true self? What narratives particularly subjugate women and people of African heritage? What kind of narrative can heal and empower? As she considers these questions, Salami offers fresh insights on key cultural issues that impact women's lives, including power, beauty, and knowledge. She also examines larger subjects, such as Afrofuturism, radical Black feminism, and gender politics, all with a historical outlook that is also future oriented. Combining a storyteller's narrative playfulness and a social critic's intellectual rigor, Salami draws upon a range of traditions and ideologies, feminist theory, popular culture—including insights from Ms. Lauryn Hill, Beyoncé, Audre Lorde, Toni Morrison, and others—science, philosophy, African myths and origin stories, and her own bold personal narrative to establish a language for change and self-liberation. *Sensuous Knowledge* inspires reflection and challenge us to formulate our own views. Using ancestral knowledge to steer us toward freedom, Salami reveals the ways that women have protested over the years in large and small ways—models that inspire and empower us to define our own sense of womanhood today. In this riveting meditation, Salami asks women to break free of the prison made by ingrained male centric biases, and build a house themselves—a home that can nurture us all.

A new voice in comics is incisive, funny, and fiercely feminist. "The mental load. It's incessant, gnawing, exhausting, and disproportionately falls to women. You know the scene--you're making dinner, calling the plumber/doctor/mechanic, checking homework and answering work emails--at the same time. All the while, you are being peppered with questions by your nearest and dearest 'where are my shoes?', 'do we have any cheese?...' " --Australian Broadcasting Corp on Emma's comic In her first book of comic strips, Emma reflects on social and feminist issues by means of simple line drawings, dissecting the mental load, ie all that invisible and unpaid organizing, list-making and planning women do to manage their lives, and the lives of their family members. Most of us carry some form of mental load--about our work, household responsibilities, financial obligations and personal life; but what makes up that burden and how it's distributed within households and understood in offices is not always equal or fair. In her strips Emma

deals with themes ranging from maternity leave (it is not a vacation!), domestic violence, the clitoris, the violence of the medical world on women during childbirth, and other feminist issues, and she does so in a straightforward way that is both hilarious and deadly serious.. If you're not laughing, you're probably crying in recognition. Emma's comics also address the everyday outrages and absurdities of immigrant rights, income equality, and police violence. Emma has over 300,000 followers on Facebook, her comics have been shared 215,000 times, and have elicited comments from 21,000 internet users. An article about her in the French magazine L'Express drew 1.8 million views--a record since the site was created. And her comic has just been picked up by The Guardian. Many women will recognize themselves in THE MENTAL LOAD, which is sure to stir a wide ranging, important debate on what it really means to be a woman today.

A life-changing journey from the wasteland of modern society to a place of nourishment and connection. Fifth anniversary edition, with new afterword for 2021. 'Mind-blowing. An anthem for all we could be . . . I sincerely hope every woman who can read has the time and space to read it.' Manda Scott, author of Boudica and A Treachery of Spies 'This is the core of our task: to respect and revere ourselves, and so bring about a world in which women are respected and revered, recognised once again as holding the life-giving power of the earth itself.' If Women Rose Rooted has been described as both transformative and essential. Sharon Blackie leads the reader on a quest to find their place in the world, drawing inspiration from the wise and powerful women in native mythology, and guidance from contemporary role models who have re-rooted themselves in land and community and taken responsibility for shaping the future. Beautifully written, honest and moving, If Women Rose Rooted is a passionate song to a different kind of femininity, a rallying, feminist cry for the rewilding of womanhood; reclaiming our role as guardians of the land. 'Powerful and inspiring.' Melissa Harrison, author of All Among the Barley Wildcat is an uproariously funny, surprisingly touching story of one woman's journey through motherhood and female friendship, in a society that plays fast and loose with information. New mother, aspiring writer, and former shopgirl Leanne has lost her way. As she struggles with both her grief and the haze of motherhood, it also becomes clear that

her best friend, the default queen of East Side Los Angeles, Regina Mark, might not actually be a friend at all. As Leanne begins to investigate and undermine Regina, she also strikes up an unexpected friendship with the lauded writer Maxine Hunter. Feeling frustrated and invisible next to Regina's wealth and social standing, Leanne seeks security wherever she can find it, whether that's by researching whether she should vaccinate her son, in listening to the messages she thinks her father is sending from beyond the grave, or in holding her own against a petulant student in her creative writing class. Most of all, however, she looks for it within Maxine, who offers Leanne something new. With a keen eye for the trappings of privilege, class, and the performative nature of contemporary domestic life, Amelia Morris's tender and wicked debut shows us a woman who bucks against the narrative she's been fed, only to find power in herself and the truth that emerges.

**"Required reading for every woman who longs to step into her power and live with pleasure and purpose."
– Kris Carr, New York Times best-selling author Author, educator, and School of Womanly Arts founder
Regena Thomashauer has been working with women for the past 25 years, and what began as just a few women in her living room has since grown into a global movement with thousands of graduates worldwide.
In her New York Times bestseller *Pussy: A Reclamation*, she reveals what no one taught you about the source of your feminine power and how to use it. This power is the part of a woman that she has been taught to ignore, push down, and despise. Indeed, the word that most viscerally sums it up is "arguably the most powerful pejorative word in the English language." Like any expletive used effectively, the title of this book is meant to be a wake-up call. It is a reclamation, in a world that desperately requires the feminine. Readers learn the secret ingredient every woman is missing; how to crack the confidence code; why sex appeal is an inside job; what's ahead on the next frontier of feminism—and how**

they can help make it happen; and much more. By turns earthy and erudite, passionately argued and laugh-out-loud funny, Pussy delivers the tools and practices a woman requires to do and be whatever she wants in this life. It's a call for her to tune in, turn on, and not drop out—but live more richly, fully, and lusciously than she ever thought she could.

A powerful nineteenth-century French classic depicting the moral degeneration of a weak-willed woman "Lisa Lister is an uber-goddess of humour, wisdom, fun and cheek. She's just what THIS doctor ordered." – Dr Christiane Northrup, author of Goddesses Never Age and Making Life Easy A witch is a wise woman, a healer. Yet for so long the word "witch" has had negative connotations. In this book, third generation hereditary witch Lisa Lister explains the history behind witchcraft, why identifying as a healer in past centuries led women to be burned at the stake, and why the witch is reawakening in women across the world today. All women are witches, and when they connect to source, trust their intuition, and use their magic, they can make medicine to heal themselves and the world. This book is a re-telling of Herstory, an overview of the different schools of witchcraft and the core principles and practices within them. Discover ancient wisdom made relevant for modern witches:

- The wheel of the year, the sabbats, the cycles of the moon.*
- Tools to enhance your intuition, including oracle cards and dowsing, so that you can make decisions quickly and comfortably.*
- Understanding the ancient use of the word "medicine".*
- How to work with herbs, crystals, and power animals so that you have support in your spiritual work.*
- How to build and use a home altar to focus your intentions and align you with seasonal cycles, the moon cycles, and your own intentions for growth.*
- Cleanse, purify, and create sacred space.*
- Work with the elements to achieve deep connection with the world around you.*

In addition, Lisa teaches personal, hands-on rituals and spells from her family lineage of gypsy witch magic to help you heal, manifest, and rediscover your powers. Above all, Lisa shows that we really are "the granddaughters of the witches that they couldn't burn".

Unprecedented insight into the feminine body and on using its natural rhythms to heal, find balance and reconnect to our emotions. Your power lies in the rhythm of your menstrual cycle. Connect with your body on a deeper level to find healing, balance and wholeness. The menstrual cycle is a vital and vitalizing system in the female body, yet our understanding of and respect for this process is both limited and distorted. Few women really know about the physiology of their cycle, and many do not see it as an integral part of their health and wellbeing, let alone as a potential guide to emotional and spiritual empowerment. Wild Power tells a radical new story about feminine power. It reveals:

- Your inner architecture and the path to power that is encoded in your body*
- How to tune in to the rhythm and changes of your menstrual cycle to realize the fullness and beauty of your authority*
- Three 'maps' to guide you through the energies, tasks and challenges presented as you journey through each cycle*
- How to work with your Inner Seasons to pace your energy, calm your nervous system and gain insight into*

your overall wellbeing · How to work with your cycle to channel spiritual forces, affirm your expression in the world and achieve a deep sense of belonging Written with humour, tenderness and practicality, and packed with women's stories and quotes throughout, *Wild Power* will restore women to wholeness and reinstate the full majesty and grace of the Feminine.

Madame Bovary

Women who Run with the Wolves

A doctorate-holding editor/columnist at an alternative newsweekly, Cooperman dissects the symbolism of and women's ambivalence toward their domestic roles as depicted in recent culturally diverse US feminist fiction. Conceiving housework as "an art and science of the boundaries," she discusses individual authors, novels, and shared motifs: domesticity as ordering chaos, the unappreciated hollow woman, sustaining home ties, powers of life and death, the sacred in the mundane, and reasons for making a home. Includes a decent categorized bibliography, but no index. Annotation copyrighted by Book News, Inc., Portland, OR

A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim. Buy now to get the key takeaways from Clarissa Pinkola Estés' *Women Who Run With The Wolves*.

Sample Key Takeaways: 1) A Wildish Woman bears similarities to wild animals, as they share the same spirit and laborious efforts, with their keen sensing, deep intuition, and devotion. 2) After studying different animals, Estés started understanding the feminine instinctual psyche in a deeper way.

Alan Watts is "the perfect guide for a course correction in life, away from materialism and its empty promise" (Deepak Chopra). Here he shows us how—in an age of unprecedented anxiety—we must embrace the present and live fully in the now in order to live a fulfilling life. Spending all our time trying to anticipate and plan for the future and to lamenting the past, we forget to embrace the here and now. We are so concerned with tomorrow that we forget to enjoy today.

Drawing from Eastern philosophy and religion, Alan Watts shows that it is only by acknowledging what we do not—and cannot—know that we can learn anything truly worth knowing. "Perhaps the

foremost interpreter of Eastern disciplines for the contemporary West, Watts had the rare gift of 'writing beautifully the unwritable.'" –Los Angeles Times

The book argues that contrary to conventional wisdom, the candidate's sex plays a minimal role in the majority of US elections.

Rise Sister Rise is for the women who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the return of the mother and the rise of the feminine. It is essentially a call to arms for women to rise up, tell their truth, and lead. Most women have spent much of their working lives "making it" in a man's world, leaning on patriarchal methods of survival in order to succeed, dulling down their intuition, and ignoring the fierce power of their feminine. They have ignored the cycles of the feminine in order to survive in a patriarchal linear system – but now the world has changed. Rise Sister Rise is a transmission that calls the innate feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop women trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to fit into a certain archetype of woman. It's about co-creating a whole new archetype of woman – a woman who does not keep herself small in order to make others feel more comfortable. A woman who knows like she knows like she knows that she is not her body weight, her sexual partners, or her career. A woman who deeply respects the wise woman in her life and cultivates her own wisdom every single day. Full of tools, calls to action, contemplative questions, rituals, and confrontational exercises, this book teaches women that it is safe to let Shakti rise, safe to trust their intuition, and safe to take leaps of faith – because in healing ourselves we are healing the world.

New enhanced edition of the original underground classic by Clarissa Pinkola EstA(c)s, Ph.D., features rare interview excerpts with this internationally acclaimed Jungian analyst and cantadora (keeper of the old stories). First released three years before the print edition of Women Who Run With the Wolves (Ballantine books, 1997) made publishing history (more than 2 million copies sold worldwide), this landmark audio probes the instinctual nature of women through world myths, folktales, and commentary. Through an exploration into the nature of the wild woman archetype,

Dr. EstA(c)s helps listeners discover and reclaim their passion, creativity, and power.

Here, archaeologically documented, is the story of the religion of the Goddess. Known by many names--Astarte, Isis, Ishtar, among others--she reigned supreme in the Near and Middle East. Beyond being worshipped for fertility, she was revered as the wise creator and the one souce of universal order. Under her, women's roles differed markedly from those in patriarchal Judeo-Christian cultures. Women bought and sold property and traded in the marketplace, and the inheritance of title and property was passed from mother to daughter. How did the change come about? By documenting the wholesale rewriting of myth and religious dogmas, Merlin Stone details a most ancient conspiracy: the patriarchal reimaging of the Goddess as a wanton, depraved figure. This portrait that laid the foundation for one of culture's greatest shams--the legend of Adam and fallen Eve.

Women who Run with the Wolves Myths and Stories of the Wild Woman Archetype

A Jungian analyst explores the feminine psyche through stories of "wild women"--the mythological archetype of the strong, primitive woman

More women than ever are discovering the unique benefits of running -- for stress relief, weight management, endurance, and self-esteem. Women's bodies are not the same as men's, and though we can train just as hard and with the same passion for excellence, we have certain special concerns. Finally, there is a comprehensive guide exclusively for women who experience the pure joy of running, or want to. It's the simplest, fastest, most accessible way to fitness and good health known to woman. You don't need a partner, equipment, or even much time. Now, Claire Kowalchik, former managing editor of Runner's World magazine, answers every question about the overwhelmingly popular activity that builds endurance, melts fat, and even prevents illness. In this total running book for women, you'll learn: How to get started and stay motivated What to eat for optimal nutrition How to run during pregnancy and after menopause Why running is the most

effective form of exercise How to prevent and treat injury What to wear -- from sports bras to running shoes How to prepare for everything from a 5K to a marathon Authoritative and friendly, *The Complete Book of Running for Women* is a sourcebook for both beginners and long-time runners. Along with wisdom drawn from the author's personal experience, you'll find advice from the experts: coaches, exercise physiologists, nutritionists, doctors, and other women runners. Including question-and-answer sections and a complete list of resources, *The Complete Book of Running for Women* tells you everything you need to know to be off and running toward better health and richer living.

"A badass debut by any measure—nimble, knowing, and electrifying." —Colson Whitehead, Pulitzer Prize-winning author of *The Nickel Boys* and *Harlem Shuffle* "...'*My Monticello*' is, quite simply, an extraordinary debut from a gifted writer with an unflinching view of history and what may come of it." — *The Washington Post* Winner of the Weatherford Award in Fiction A winner of 2022 Lillian Smith Book Awards A young woman descended from Thomas Jefferson and Sally Hemings driven from her neighborhood by a white militia. A university professor studying racism by conducting a secret social experiment on his own son. A single mother desperate to buy her first home even as the world hurtles toward catastrophe. Each fighting to survive in America. Tough-minded, vulnerable, and brave, Jocelyn Nicole Johnson's precisely imagined debut explores burdened inheritances and extraordinary pursuits of belonging. Set in the near future, the eponymous novella, "*My Monticello*," tells of a diverse group of Charlottesville neighbors fleeing violent white supremacists. Led by Da'Naisha, a young Black descendant of Thomas Jefferson and Sally Hemings, they seek refuge in Jefferson's historic plantation home in a desperate attempt to outlive the long-foretold racial and environmental unravelling within the nation. In "*Control Negro*," hailed by Roxane Gay as "one hell of a story," a university professor devotes himself to the study of racism and the development of ACMs (average American Caucasian males) by clinically observing his own son from birth in order to "painstakingly mark the route of this Black child too, one whom I could prove was so strikingly decent and true that America could not find fault in him unless we as a nation had projected it there." Johnson's characters all seek out home as a place and an

internal state, whether in the form of a Nigerian widower who immigrates to a meager existence in the city of Alexandria, finding himself adrift; a young mixed-race woman who adopts a new tongue and name to escape the landscapes of rural Virginia and her family; or a single mother who seeks salvation through "Buying a House Ahead of the Apocalypse." United by these characters' relentless struggles against reality and fate, *My Monticello* is a formidable book that bears witness to this country's legacies and announces the arrival of a wildly original new voice in American fiction.

*Why do we pursue more when we'd be happier with less? In this updated edition of 7, New York Times bestselling author Jen Hatmaker tells the story of how she and her family tried to combat overindulgence—and what they learned along the way about living a truly meaningful life. *Simple and Free* is the true story of how Jen Hatmaker (along with her family) identified seven areas of excess—food, clothes, spending, media, possessions, waste, and stress—and made seven simple choices to fight back against the modern-day diseases of greed, materialism, and overindulgence. So, what's the payoff from living a deeply reduced life? It's the discovery of a greatly increased connection with God—a call toward simplicity and generosity that transcends social experiment to become a radically better life. In this new edition, written not just for readers of faith but for everyone who craves a gentler, simpler life, Hatmaker shares how sustainability and generosity still impact and challenge her today. Annotated throughout with new reflections from the author, this book offers thoughtful insights on the vastly different world of *Simple and Free* from back when it was first published as 7, and considers the dramatically different space Hatmaker occupies now. *Simple and Free* is funny, raw, and not a guilt trip in the making. Come along and discover what Jesus' version of rich, blessed, and generous might look like in your life.*
