

Workbook English Hub 2b

English Unlimited is a six-level (A1 to C1) goals-based course for adults. Centred on purposeful, real-life objectives, it helps learners to use English independently for global communication. Through universal topics and activities, and a focus on intercultural competence as a 'fifth skill', this international coursebook helps learners become more sensitive, more effective communicators. Teaching natural, dependable language, and with CEFR goals at its core, it brings real life into the classroom and gives learners the skills and strategies to communicate confidently outside it. The 'Explore' sections provide the ingredients for enhancing communicative ability, from further development of speaking skills to independent learning. The English Unlimited Pre-intermediate A Combo with DVD-ROMs includes Coursebook Units Intro to 7 as well as the Portfolio and Self-Study DVD-ROM.

English Plus is a flexible and supportive course that builds confidence through graded practice.

Provides extra classroom practice, homework, or independent learning when in-class participation is not possible. Features 10 pages of exercises for each lesson in the student book, grammar charts and an answer key, practice reading and listening materials, and real-life documents.

As Kasey's health, life, and her relationship with Ashwin hang precariously in the balance, he must contend with his fiancée, Silver Moon. As her jealousy increases to frightening and dangerous levels, Ashwin must find a way to deal with her, as well as figure out how to pull his beloved Kasey from the devastating grip of the tragedy that has befallen her. Will his heroic actions put an end to Ashwin's and Kasey's budding relationship, or will true love prevail?

NOTE: This Parent-Teacher-Mentor Edition of Shine In Your Life's Journey accompanies the student guide/workbook Shine In Your Life's Journey: A Student's Guide to Character Development, and contains helpful instructions to the lessons in the Student Guide for any parent, teacher, and mentor. "There is honor in meeting and overcoming life's challenges." This is the theme of Shine in Your Life's Journey (for students) and is meant to inspire children of all ages with the belief that with meaningful learning tools, they have the power to meet their personal challenges and goals with courage and purpose. Shine In Your Life's Journey is a simply formatted, straightforward guide/workbook to help students learn the important values and behaviors that build and sustain a strong character. Containing concise, thought-provoking, and enjoyable lessons, this easy-to-use guide encourages its student users to discover their own innate strengths as well as improve areas of lesser strengths that will help them achieve their hopes, dreams, and goals in their lives. The lessons are divided into three sections: Being an Honorable Person, Self-Discovery, and Self-Empowerment, and are a result of the curriculum the author has developed for the children he teaches and mentors at Jasper Mountain Center in Jasper, Oregon, an internationally renowned residential facility that addresses the significant needs of children and their families who have suffered the trauma of abuse. Author Greg Ahlijian has been a volunteer at the Jasper Mountain facility since 2008, teaching and mentoring children from ages 8-14 about character development, nature, and poetry. Inspired by the children, he has written two books that contain life lessons: The Large Rock and the Little Yew teaches the virtues of courage, perseverance, self-respect, and hope; and An Elephant Would Be Wonderful, a book about self-discovery. He says, "To be able to provide a smile on a child's face, a bit of joy or inspiration, is what my book projects are all about!"

Through universally inspiring topics and activities, and with a special focus on intercultural competence as a 'fifth skill', this truly international course helps learners become more sensitive, more effective communicators. Teaching natural, dependable language and using authentic audio from the start, it not only brings real life into the classroom, but gives learners the skills, strategies and confidence they need to communicate confidently outside it.

Help your students learn the language they need to communicate in their personal, academic, and work lives in the 21st century, while building their collaborative and critical thinking skills. Personalise the class, focus on different strands and skills, flip the learning or teach traditionally as you see fit. Extend and differentiate instruction to meet your students' needs. Access StartUp anytime, anywhere with vocabulary, grammar, listening and conversation activities on the go with the Pearson Practice English App. Listen to or watch all the audio and video whenever and wherever you want. StartUp is a video-rich course, with all videos integrated into the units to model language, present information and help make your classes more engaging for both

your students and you: humorous and interesting character-driven conversation videos throughout each unit media project videos in Levels 1-4 Grammar Coach videos, Pronunciation Coach videos in Levels 1-4

Cleared for Takeoff: Aviation English Made Easy is the second book in the comprehensive Mariner Method(tm) series. Author Liz Mariner presents the sensible approach she has been using with remarkable success in pilot training and English for aviation classrooms all over the world for the last 20 years. Cleared for Takeoff has been designed not as a textbook, but as a workbook for use in the ESL or flight training classroom or as a tool for individual study. Students will benefit from group learning exercises and working in pairs or individually by following the simple instructions. The essential Aviation English text for your pilot training or air traffic control training program, Cleared for Takeoff is the proven, practical approach. The accompanying audio recordings accurately recreates the environment pilots and controllers encounter. Students will gain extensive listening practice and opportunities to practice speaking what they have learned from the wide variety of interactive exercises. The audio recordings are embedded in the iBook version, downloadable in the kindle and pdf versions, and in the print version. In this book, students will understand and use the most common terms in: Communications with air traffic control Student and instructor communications Airport features and the traffic pattern Aircraft features The ATIS The basics of flight

So your child knows about shapes. The next step is to be able to work with them, math-wise. This geometry book for second grader is an ideal learning tool at home and in school. It effectively combines age-appropriate exercises and challenges to push a child to think beyond preconceived comfort zones. Grab a copy of this workbook and add it to your child's collection.

Peter Adams, founder of the Accelerated Learning Program (ALP), introduces The Hub: A Place for Reading and Writing, the first and only hybrid digital and print course materials developed specifically for corequisite and ALP first-year writing courses. The Hub is based on innovative, sound, and widely replicated research into best practices for improving developmental student outcomes. The high-quality instructional materials have been carefully developed and thoroughly class-tested to support students of varying skill levels in first-year composition and corequisite courses. In addition, The Hub offers the unparalleled instructor support that only Peter Adams can provide. This flexible digital resource available through Macmillan Learning's Achieve platform, and accompanied by a print text, provides all of the course materials you need to support every learner in corequisite composition. From planning to implementation, The Hub is THE destination for everything you need for your first-year corequisite composition or ALP course.

Excellent English equips students with the grammar and skills they need to access community resources, while developing a foundation for long-term career and educational success. Grammar-based competency instruction provides clear information and reference material. Students prepare for the demands of standardized tests with practice in each unit.

Ventures 3rd Edition Basic Student's Book has 10 units with six lessons each, based on relevant adult-learner themes. Two-page lessons are designed for an hour of classroom instruction and are aligned to teach students the skills needed for success in college and careers. Culture notes, speaking, reading, and writing tips enrich and support exercises. Review Units include sections focusing on pronunciation. Students can access audio and grammar presentation videos using the QR codes found throughout the book.

The English Grammar Workbook for Adults

"[This book] consists of 22 human-interest stories adapted from newspapers and magazines. The universal appeal of these stories ensures a pleasurable reading experience and motivates students to develop reading fluency"--Page 4 of cover.

Stories for Young Readers, Book 2, by Kinney Brothers Publishing, is a series of ESL readings that includes questions, grammatical explanations, exercises, and puzzles for beginning students. This textbook presents English in clear, grammatically simple, and direct language. Teachers can utilize the stories and exercises in a variety of ways, including listening comprehension, reading, writing, and conversation. Most importantly, the textbook has been designed to extend students' skills and interest in developing their ability to communicate in English.

English in Action is a four-level core language series for secondary and adult students that engages learners as workers, family members, and citizens. Students master listening, speaking, reading, writing, and grammar through a variety of lively, classroom-tested, easy-to-use activities.

The Future Workbook allows students to devote their time to the lessons and specific skill areas that they need to work on most. Future is a six-level, four-skills course that empowers learners with the academic and workplace skills they need to get ahead by helping them transition to further education or career training.

Cambridge Primary English Workbook 2

The unfathomable rate of Black males in education should result in a national call to action. Across the country Black males represent only 2% of the teaching workforce. By the year 2024, minority students will be the majority, yet our current education workforce does not reflect this growing trend in what has been called "The Browning of America." Why is it acceptable that a student can matriculate from Kindergarten through twelfth grade and not have one Black male as his or her teacher? Why has it been a challenge to recruit and in many instances retain Black males in the classroom? Unopened Books explains what is referenced in the book as the Five Black Male Deterrents in Education.

Through the personal narrative of Jermaine D. Gassaway, a native Washingtonian, educator, and school leader; coupled with practical solutions, Unopened Books provides insight to multiply the 2%. It is intended to not only be a provocative conversation starter but an actionable approach to increase the number of Black men in the classroom.

REVISED EDITION. What if you could learn to write well using a method that had been successful for thousands of years? Writing the Classical Way does just that, teaching ancient writing exercises (the progymnasmata) to pre-rhetoric students. These fourteen exercises help students master each aspect of narrative, expository, and persuasive writing through incremental steps. Writing the Classical Way: Level I Workbook provides exercises to accompany the student text Writing the Classical Way. The models in this volume are primarily taken from classical authors, but masters of the English language are also included. These exercises develop a student's writing abilities through model compositions, pre-writing activities, composition analysis, essay assignments, and much more! With exercises developed and tested in the classroom, Writing the Classical Way: Level I Workbook provides a solid foundation for students wishing to write well.

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

Surprise! You've just been laid off from the teaching position in which you have so passionately invested your time, talents and heart for years! What now? Hundreds of thousands of American teachers have been laid off in the last four years as a result of the long term recession that continues to challenge the country's economy. In this book, one of those teachers shares what that experience was like for her, how she coped with unexpected unemployment, and what she learned about finding her way as a teacher without a classroom. Full of not only truthful reflection and encouragement for teachers facing similar situations, this book also offers practical tips for how to handle lay-off and unemployment, and how to prepare yourself as an education professional to expand your career outside your classroom. These are uncertain times, but teachers don't need to feel uncertain about their careers. There IS life as an education professional after lay-off!

A Self-Study Guide to Improve Functional Writing

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Excellent English equips students with the grammar and skills they need to access community resources, while developing the foundation for long-term career and academic success. . Excellent English is a four-level, standards-based series for English learners featuring a Grammar Picture Dictionary approach to vocabulary building and grammar acquisition. Unit lessons systematically build language and math skills around life-skill topics in an accessible and predictable sequence. . This workbook is designed to accompany the high beginning level student book.

This title has been endorsed by Cambridge Assessment International Education - Reinforce learning, deepen understanding and encourage self-reflection in practical workbook activities. - Provide extra practice and self-assessment: Each Workbook is intended to be used by the learner for practice and homework, plus the completed workbooks can be used to help aid revision. - Build on what has taken place in the lesson: Challenge learners to develop their understanding further with ready-to-go write-in exercises.

The companion text to A Communicative Grammar of English (CGE), this workbook presents an opportunity for practising the points raised in the main grammar. The units follow the order of sections in Part One and Part Two of CGE; at the beginning of each sub-unit there is a brief explanation of a particular structure followed by a series of tasks, ranging from gap filling exercises to rewrite assignments and conversational passages in which the student is invited to participate. With authentic material and a variety of different task types graded by difficulty, this is an indispensable resource for teachers and advanced students with a good grounding in the grammar of the language.
