AP Human Geography Premium Prep, 2021, previously titled Cracking the AP Human Geography Exam, Premium Edition, provides students with a review of key AP Human Geography terms in every chapter, 2 full-length practice exams with detailed answer explanations, easy-to-understand tables, charts, and maps, a detailed walk-through of how to write great essays, and much more. This Premium edition includes 6 total full-length practice tests (3 tests in the book and 3 online) to help students maximize their practice opportunities. One of these exams is newly-created for this edition.

As political, economic, and environmental issues increasingly spread across the globe, the science of geography is being rediscovered by scientists, policymakers, and educators alike. Geography has been made a core subject in U.S. schools, and scientists from a variety of disciplines are using analytical tools originally developed by geographers. Rediscovering Geography presents a broad overview of geography's renewed importance in a changing world. Through discussions and highlighted case studies, this book illustrates geography's impact on international trade, environmental change, population growth, information infrastructure, the condition of cities, the spread of AIDS, and much more. The committee examines some of the more significant tools for data collection, storage, analysis, and display, with examples of major contributions made by geographers. Rediscovering Geography provides a blueprint for the future of the discipline, recommending how to strengthen its intellectual and institutional foundation and meet the demand for geographic expertise among professionals and the public.

Study, practice, rest. Repeat. Human Geography for the AP® Course by Hildebrant et al, is perfectly aligned to College Board's APHG® course. It includes all course concepts with plentiful skills support and practice. A complete AP® Practice Exam rounds out the tools in this engaging book program.

World Geography, Second Edition

Discovering World Geography, Student Edition

AP Human Geography 2020 and 2021 Study Guide

Connect to core World Geography content with an accessible, student-friendly text built on the principles of Understanding by Design.

Designed to help students acquire basic knowledge about each continent.

Shows how individuals are affected by, and respond to, economic, social, and political forces at all levels of scale: global, regional and local. It offers an inclusive picture of people in a globalizing world - men, women, children, both mainstream and marginalized citizens - not as seen from a western perspective, but as they see themselves. Core topics of physical, economic, cultural, and political geography are examined from a contemporary perspective, based on authoritative insights from recent geographic theory and examples from countries from around the world.
