places -- to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, *A People's History* is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. teachers with the tools and techniques to help students better engage with the subject matter and develop more sophisticated historical analysis and arguments. In an age of educational quick fixes and ever-moving goalposts, this carefully crafted addition to the Making Every Lesson Count series expertly bridges the gap between the realms of academic research and the humble classroom. It therefore marries evidence-based practice with collective experience and, in doing so, inspires a challenging approach to secondary school history teaching. Making EveryHistory Lesson Count has been written for new and experienced practitioners alike, offering gimmick-free advice that will energise them to more effectively carve out those unique moments of resonance with young people. Each chapter also concludes with a series of questions that will prompt reflective thought and enable educators to relate the content to

During an armed conflict or period of gross human rights violations, the first priority is a cessation of violence. For the cease-fire to be more than a lull in hostilities and atrocities, however, it must be accompanied by a plan for political transition and social reconstruction. Essential to this long-term reconciliation process is education reform that teaches future generations information repressed under dictatorial regimes and offers new representations of former enemies. In *Teaching the Violent Past*, Cole has gathered nine case
