Ages 7 and under With children having no shortage of spending options it is essential to train them in how to handle money before they succumb to spending beyond their means and falling into debt. Proverbs 22:6 instructs that a child should be trained "in the way he should go, and when he is old he will not turn from it." By the time children leave university many will have accumulated debt which may not be repaid until they are in their 40s. The next verse in Proverbs (22:7) tells us that the borrower is slave to the lender. Teaching your children about how to handle money is a number one priority. Make sure your children don't get into the debt-trap. Teach your children what the Bible says about money Give, Save, Spend is a Bible-based study that introduces children to what the Bible has to say about how we handle our money. There are over 2300 verses in the Bible about money while 15 per cent of Jesus' recorded words are about money and possessions. For use in the home, Children's Church and Christian Schools Give, Save, Spend teaches God's way of handling money. Discover these truths as Allie, Amy, Jack and Labo try to save enough money to buy a puppy. As they find out how to earn, save, give and spend money they also learn some important things about God. The book includes illustrations, simple Bible stories, hands-on-activities and a prayer record. It can be used on its own or together with the Teacher's Guide. Your Money Counts is an interdenominational and international ministry that trains people to apply biblical financial principles to their lives.

How Are Your Finances Shaping Your Heart? Jesus knew that how we think about money shapes our character. Our approach can make us more like him—full of contentment, purpose, and freedom—or it can cause a tragic separation from God and the joy he offers. We need a firm foundation for faith and finances. In True Riches, John Cortines and Gregory Baumer invite us to experience four transformations in our financial lives, moving from pride to gratitude so that we see everything as a gift; coveting to contentment so that we spend wisely; anxiety to trust so that we save appropriately; and indifference to love so that we give extravagantly. Full of scripture, personal stories, and practical application, True Riches offers a clear path away from the empty pursuit of wealth and into more intimate relationship with God. All author proceeds donated to charity.

This book is an invitation to join Jesus in an exciting journey of financial discipleship. A disciple is a person who has an ongoing, life-changing relationship with Jesus Christ and who gladly shares what he or she has learned with others. Financial discipleship is so important because what we do with our money reflects our heart's priorities. Jesus said, "Where your treasure is, there your heart shall be also." A financial disciple has a clear vision, to see every follower of Christ in every nation faithfully living by God's financial principles in every area of their lives, both personally and in their work, family and community. He or she desires to know Christ more intimately, to be free to serve, and to help fund the work of the church, join us in the journey of financial discipleship!

Why are we so commonly failing in the wake of the recent recession, many people are experiencing such financial challenges as credit card debt, downsizing, dead-end jobs, and inadequate or depleted savings. With these challenges come others as well. Recent studies confirm that more than half of all divorces are the result of financial pressures at home. And spiritually, many people are struggling to maintain a biblical perspective amidst the constant tug of materialism. But there is hope. The Bible has a lot to say about money. In fact, the Bible is a veritable blueprint for managing your finances. In Your Money Counts, trusted financial expert Howard Dayton shows you how to manage your personal finances in a highly practical, biblically-based way.

*"A unique approach to understanding how you intimately relate to handling money. A fascinating concept!" – Gary Chapman, author of The 5 Love Languages True financial well-being involves more than getting out of debt and accumulating wealth. It's about discovering how you're wired by God, and how that wiring influences the way you think about, feel toward, and handle money. Discovering your money type – whether you are an Abraham (hospitality), an Isaac (discipline), a Jacob (beauty), a Joseph (connection), a Moses (endurance), an Aaron (humility), or a David (leadership) – will bring greater self-awareness, reduce internal financial tension, help you resolve financial conflict with others, and help you grow financially from a faith-based perspective. As you walk with Pastor Brown through the Scriptures you'll find holistic financial pathways that lead you to a place of increased awareness and confidence related to money. In The Seven Money Types, Pastor Tommy Brown leads you on a journey of personal discovery as he reveals the seven money types found in Scripture, helps you identify the type that best fits you by means of a 35-question assessment, and coaches you on understanding, affirming, developing, and enjoying your unique approach to money.*
