Drawing on the tough (sometimes hilarious) lessons Debbie learned in her own leap into a new way of living, and a multitude of stories, tips and ideas to jumpstart your dreams, she's created an inspiring roadmap for change. A few years ago, Debbie Travis realized that she was no longer challenged by her wildly successful TV career and she was so busy she was missing out on the people and things that made her happy. She dared to dream about a whole new direction in life--a plan to turn a 13th-century farmhouse in Tuscany into a unique hotel and retreat for people who need a change as much as she did. And now, after a crazy amount of work, she is not only living that dream but sharing it with

others. Her new book draws directly on her own experiences (when she started, Debbie could barely make a bed, let alone run a hotel in a foreign county) and the uplifting stories of personal u-turns shared by women who have come to her retreats.

Debbie's "commandments" will inspire women (and men) who have lost track of who they are or what they want to be; who are going through the motions of a career that doesn't satisfy them anymore; who are wondering what to do with themselves now that their kids are gone or their marriage is over. On every page, Debbie shares the tools that helped her transform her life, and her example, her wit and her common sense advice will help motivate anyone who finds themselves standing at a crossroads wondering

“An under-read and engaging show-biz memoir.” –The New Yorker “If I had a talent for anything, it was a talent for

knowing who was talented." Mike Medavoy is a Hollywood rarity: a studio executive who, though never far from controversy, has remained well loved and respected through four decades of moviemaking. What further sets him apart is his role in bringing to the screen some of the most acclaimed Oscar-winning films of our time: Apocalypse Now, One Flew Over the Cuckoo's Nest, Amadeus, The Silence of the Lambs, Philadelphia, and Sleepless in Seattle are just some of the projects he green-lighted at United Artists, Orion,

TriStar, his own Phoenix Pictures. "The ultimate lose-lose situation for a studio executive: to wind up with a commercial bomb and a bad movie." Of course, there are the box office disasters, and the films, as Medavoy says, "for which I should be shot." They, too, have a place in his fascinating memoir -- a pull-no-punches account of financial and political maneuvering, and of working with the industry's brightest star power, including Steven Spielberg, Martin Scorsese, Francis Ford Coppola, Kevin Costner, Robert De Niro, Jodie Foster,

Sharon Stone, Michael Douglas, Meg Ryan, and countless others. "Putting together the elements of a film is a succession of best guesses." Medavoy speaks out on how movie studio buyouts have stymied the creative process and brought an end to the "hands-off" golden age of filmmaking. An eyewitness to Hollywood history in the making, he gives a powerful and poignant view of the past and future of a world he knows intimately. A change of pastoral leadership creates a special kind of stress and strain on a

congregation. Your church may prefer the more practical starting points, such as appointing a search team, getting assistance from a denomination, shoring up finances, addressing maintenance issues, and developing a quick timeline. Then there are the deeper matters: grief work, sober evaluation of effectiveness, prayer around core reasons for being, attending matters of the heart around communal healing and reconciliation, and authentic conversation about who we are called to be for the sake of the Gospel and the

world around us. Gary Straub articulates the dynamics of the pastoral search process from both sides of the equation. With more than 50 years of ministry experience-including calls to large congregations, interim positions, and coaching of pastoral candidates-Straub integrates practical advice with prayerful counsel. Healthy dialogue helps keep you passionately open to the Holy Spirit. Tactful Advice for Calling Your Next Pastor starts the dialogue and keeps it focused.
