

# *Your Stats Portal Answers*

This practical question and answer guide provides all the information business people need to know about e-commerce. It explains what it's all about, which technology is used, how to create and market a successful Web site, and how to incorporate e-commerce into an overall business strategy.

Tailored to mirror the AP Statistics course, "The Practice of Statistics" became a classroom favorite. This edition incorporates a number of first-time features to help students prepare for the AP exam, plus more simulations and statistical thinking help, and instructions for the TI-89 graphic calculator."

This book is based on the syllabus of the 2 year B.ed Programme
