The Gift of Nothing

I'm Going to Be Your Big Sister

Mom and Dad told me I am going to be a big sister. "No thanks," I said. "We already have me." Becoming a big sister is a big change. New babies need lots of attention even though they don't do very much when they're little. But after all the eating, sleeping, and going potty, babies need their big sisters! Beloved bestselling author and illustrator Marianne Richmond shares the humorous journey-and joyful ending-of one child's experience that'll resonate with the little girl in your life. Big Sister is a new classic that's sure to bring together the sister-to-be and the whole expanding family!

This high quality padded board picture book includes teal foil and embossing on the cover. Throughout the book, the reader will see that all around the world, babies are loved! The sweet, colorful scenes in this book reinforce the message of unconditional love. Make story time a time for one-on-one connection. There are 9 story spreads that strengthen bonds and emotional security, reinforce the concept of unconditional love and introduce language patterns and rhyming.

When a young boy finds out that he is going to be a big brother, at first he doesn't like the idea, or the changes that his mom is going through, but he eventually warms up to the situation when he sees the baby on ultrasound.

Siblings never get to tell their side of the story (or so it seems). Complete with a unique flip format and Rocio Bonilla's vivacious illustrations that tell each sibling's story, this clever take on sibling rivalry shares two life lessons: sometimes it takes a sibling sharing their side of the story to realize how much they appreciate their other half; and it definitely helps to have someone on your side when a new baby arrives! It's Big Sister Time!

What Brothers Do Best

Noelle The Best Big Sister

'The thing about having a second baby is it's likely to differ a lot from your first experience. Sarah Ockwell-Smith's guide looks at the challenges you might face along with some practical tips to consider. The book offers a friendly feel that reminds us issues and all, we'll be just fine' Mirror, Best Baby Books for Parents 2020 Having a second baby is a very different experience from having your first, yet there is little recognition of the wide range of issues that need to be considered when bringing a second child into the family. In this incredibly helpful book, Sarah Ockwell-Smith helps parents feel more positive and prepared for life with two children. The book begins with the obvious question: when is the right time to add another member to the family? It then goes on to examine the specific issues that can arise with a

second pregnancy and birth; the common concerns about siblings, such as how to prepare your firstborn for what's to come; how to cope with the practicalities of life with two young children (aka actually managing to get anything done!); and the feelings parents are likely to experience, too. The Second Baby Book examines all the questions and issues Sarah herself faced second time around, as well as sharing the experiences of the many parents who have sought her advice. It also highlights what scientific studies reveal about such issues as the spacing of children and the differences between first and second births. Practical, insightful and honest, this book will help you understand the challenges ahead but, more importantly, it will equip you to meet them with knowledge, confidence and a sense of excitement for the future.

All the family loves the new baby. But Poppy isn't sure ... Her baby brother just sleeps and eats and cries and cries! But one night his crying suddenly stops: Poppy's baby brother reaches out to her and, holding him close, she realizes something very special ... A sincere and tender celebration of sibling love.

The perfect gift for a 7 year old on their birthday to mark their milestone and keep as a memory book for years to come. This journal has sections for: - My favourite things Drawing your House and Family Things my family says Things you are grateful for My story Blank and lined pages for drawing and journalling your day Great for helping kids practice writing, spelling and drawing. Make it fun and colorful, add stickers and photos and parents can add their own notes and messages to make this book an awesome keepsake. 6 x 9 Size, Matte Cover.

Being one is a big deal . . . so give them a book that tells them all about why this age is so wonderful. With 28 pages full of fun facts and quirky information, Numbear and his pet bird are the main characters who, along with other unique animals and sea creatures, bring these creative, colourful books to life. This delightful hard backed book helps every child to be even more excited about their birthday by getting them reading and involved in this story - discovering everything that is awesome about their age. Did you know that in their first year a child has spent 275 days asleep, or that one is 'uno' in Spanish; that a unicorn can cycle on a unicycle and the moon had gone around the sun 13 times . . . Each 'Now You Are . . . ' book reminds someone that their birthday matters and shows that you care about them and their special day. These magical birthday books are a superb gift to read with any child or for them to share with close friends and family.

PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

With an author's note about what big siblings need—extra guidance, reassurance, love—and sweet, engaging artwork, it's no wonder that nearly 4 million families have chosen I'm a Big Brother and its companion book, I'm a Big Sister, to prepare their young ones for their first big transition. "Someone new is at our house," begins this loving, reassuring celebration of brotherhood from trusted author Joanna Cole. Told through the eyes of a new older brother, this simple story lays out all the good things about being an older sibling, and just how exciting welcoming a new member to the family can be.

A Nine-Month Journal for You and Your Growing Belly

Our Story is a gift journal available in two beautiful designs - for my daughter and for my son - inspiring parents to capture the unique story of childhood, from early baby memories through to the eighteenth year together.

You will always be the first... A touching tribute to baby's early milestones -- those unforgettable moments that will always be cherished. From first smiles to first cuddles and even to that first kiss, here's a loving ode to every child's -- and parent's -- momentous "firsts."

The New York Times praised this best-selling picture book as "adorable, original, well-illustrated and fabulous." In this first book in the How-To Series (which includes How To Get Married and How to Get a Job), the know-it-all big sister narrator tells it like it is: When you're a baby you don't read books. You eat them. You don't know how old you are, or even if you're a boy or a girl. And you have to keep a special plug in your mouth to stop your scream from coming out. But one day, you won't be little anymore, and then you'll be taller and smarter, and actually quite clever. Like the narrator. And you'll be able to share memories of what it was like when you were little with your incredible Big Sister.

Pirate Pete I'm a New Big Brother is a sound book describing the excitement and fun of having a new sibling and becoming a brother. The simple text and colourful illustrations will help little boys understand what happens when a new baby joins the family and how lovely it is to be a big brother. This book is part of Ladybird's successful Pirate Pete and Princess Polly series, and is the perfect companion to Pirate Pete's Potty book.

Big Brother

With an author's note about what big siblings need—extra guidance, reassurance, love—and sweet, engaging artwork, it's no wonder that nearly 4 million families have chosen I'm a Big Sister and its companion book, I'm a Big Brother, to prepare their young ones for their first big transition. "Someone new is at our house," begins this loving, reassuring celebration of sisterhood from trusted author Joanna Cole. Told through the eyes of a new older sister, this simple story lays out all the good things about being an older sibling, and just how exciting welcoming a new member to the family can be.

You're The Biggest is a delightful book for a new sibling celebrating their role as the biggest following the arrival of a new baby. The story follows two charming foxes, on a colourful journey, discovering the unique role of an older sibling. Beautifully illustrated in full colour this book is hard backed with cheerful end papers. With space for you to write a personal message in the front this book is a wonderful keepsake and makes the perfect gift for a child on the arrival of their new brother or sister. Our Welcome To The World book complements this title and makes the perfect gift for the new baby. Ethically produced from sustainable sources. Made with love, from you to me.

Welcoming a new sibling can be daunting but have no fear - Louie is here to help! In the fourth book of its series, Louie is a super elephant who is always ready for adventure, but lately he's been feeling a little lonely. Louie is told that a new baby is coming and that changes everything! New adventures await, let's go! With sweet rhymes and beautiful illustrations, this book inspires friendship, bravery and greatness. A perfect new baby book gift for toddlers and loved ones. A Note from the publisher: Give Your Child the Courage That He or She Needs to Quickly Conquer New Milestones without Stress or Overwhelm. The toddler years can be the most amazing, yet challenging times. On one hand, it's hard to believe that your little one is growing up before your eyes (and it's the most incredible joy to be part of) but on the other hand, with growing up comes change and new milestones. These transitions can often be daunting for both the child and the parent. We created the character, Louie, with your child in mind. It's our goal that your child will instantly relate with Louie's adventurous spirit, independence and fun loving nature. He or she will giggle through this sweet, rhythmic story but also learn that change can be overcome by a little courage and that the outcome can actually lead to even more fun and adventure! We understand that there are many different tactics and tools to conquer transitions (and that each household may handle them differently), however, we strongly believe that before technique there needs to be a want and desire within the child. The same is true for adults. Think about it, there's no way you're going to learn a foreign language if you don't have the desire. You can be thrown into some of the best classrooms and programs but will have a hard time grasping the information until you're actually interested and motivated. Louie's Little Lessons sole focus is to ignite curiosity and motivation when it comes to facing change (then, the technicalities can be taught whichever way you chose), however, the first and most challenging step is establishing the correct mindset. We hope to help your child finds his/her desire to embrace change and courage for years to come
