From the bestselling author of Talk Like Ted - how to get to master the art of persuasion. 'An easy-to-read and practical journey through personal development, plus tips on structuring the storytelling that is still considered key to connecting with other people and, crucially, with customers and investors in business.' Financial Times (Business Book of the Month) Ideas don't sell themselves. As the forces of globalization, automation, and artificial intelligence combine to disrupt every field, having a good idea isn't good enough. Mastering the ancient art of persuasion is the key to standing out, getting ahead, and achieving greatness in the modern world. Communication is no longer a "soft" skill - it is the human edge that will make you unstoppable, irresistible, and irreplaceable - earning you that perfect rating, that fifth star. In Five Stars, you will learn: -The one skill billionaire Warren Buffett says will raise your value by 50 percent. -Why your job might fall into a category where 75 percent or more of your income relies on your ability to sell your idea. -How Airbnb's founders follow a classic 3-part formula shared by successful Hollywood movies. -Why you should speak in third-grade language to persuade adult listeners. -The one brain hack Steve Jobs, Leonardo da Vinci, and Picasso used to unlock their best ideas. In Five Stars, Carmine Gallo, bestselling author of Talk Like TED, breaks down how to apply Aristotle's formula of persuasion to inspire contemporary audiences. As the nature of work changes, and technology carries things across the globe in a moment, communication skills become more valuable - not less. Gallo interviews neuroscientists, economists, historians, billionaires, and business leaders of companies like Google, Nike, and Airbnb to show first-hand how they use their words to capture your attention and make your dreams - your ideas - five stars. #1 New York Times Bestseller In this decidedly unhelpful, candid, hilarious "how-to" guide, YouTube personality Miranda Sings offers life lessons and tutorials with her signature sassy attitude. Over six million social media fans can't be wrong: Miranda Sings is one of the funniest faces on YouTube. As a bumbling, ironically talented, self-absorbed personality (a young Gilda Radner, if you will), she offers up a vlog of helpful advice every week on her widely popular YouTube channel. For the first time ever, Miranda is putting her advice to paper in this easy-to-follow guide, illustrated by Miranda herself. In it, you'll find instructions on everything: how to get a boyfriend (wear all black and carry a fishing net), to dressing for a date (sequins and an orange tutu), to performing magic ("Magic is Lying"), and much, much more! Miranda-isms abound in these self-declared lifesaving pages, and if you don't like it...well, as Miranda would say... "Haters, back off!"
